The 24-Hour Turnaround challenges people to spend one hour reading and contemplating each of the book's 24 chapters and to make a heartfelt decision to change in the area each chapter addresses. The premise is that decisions made in those 24 hours will transform the reader's career, health, relationships, and overall attitude. The authors provide specific, doable advice, biblical affirmation, and motivating examples to help readers turn their lives around. Topics include improving self-worth, setting achievable goals, controlling anxiety, winning by quitting, making the most of money, discovering excellence, and more.

Don ' t settle for less than what God can do. We often face situations in life that are hard. Whether it be a job loss, a difficult marriage, or problems with the kids—harsh storms come, and we can quickly feel overwhelmed, even desperate. In the beginning of creation, God entered the darkness and void and displayed his turnaround nature. He spoke words that turned darkness into light and filled the emptiness with fruitfulness. His turnaround power brought order into the chaos. In the same way, God enters our lives with the power of his turnaround ability and offers not just a slight improvement but a complete turn around. Turnarounds by their nature are radical. They bypass nice and sensible, they freak out the orderly, and they do not line up with agendas. But turnarounds reveal our miraculous Savior to a messed-up world. Using examples from her own life and those of biblical characters, international speaker and teacher Charlotte Gambill offers that God is more than just a little bit of help, he ' s all the help; we need. It ' s time for us to fully understand that there is nothing that God can ' t turn around!

As you write and reflect your way through the pages, you will learn practical tips for reframing your past, harnessing your present, and facing your future with confidence. "This book will change the trajectory of your life." —John Maxwell, #1 New York Times bestselling author, entrepreneur, and leadership expert

Too many people delay, downsize, or shrug off their dreams just because they don't know where to start, but playing it safe doesn't account for the massive cost of a life not fully lived. *Win the Day* is the jump-start you need to go after your goals, one day at a time. You'll discover how to:

1. Flip the Script: If you want to change your life, start by changing your story.
2. Kiss the Wave: The obstacle is not the enemy; the obstacle is the way.
3. Eat the Frog: If you want God to do the super, you've got to do the natural.
4. Fly the Kite: How you do anything is how you'll do everything.
5. Cut the Rope: Playing it safe is risky.
6. Wind the Clock: Time is measured in minutes; life is measured in moments.
7. Seed the Clouds: Sow today what you want to see tomorrow.

As Batterson unpacks each of these daily habits, you'll see how simple it is to pursue them with focus and dedication—not someday down the road, but now. Transform your perspective of a single day and you'll discover the potential waiting to be grasped at the beginning of each new sunrise.
