Ann Moura, the author of the popular Green Witchcraft series, is back with a new, one-of-a-kind spellbook on lunar magic. This is the only guidebook available that uses Mansions of the Moon correspondences to empower Esbat rituals and spellwork. Each mansion is appropriate for certain types of magic, as described in ceremonial magic books, such as Agrippa's Three Books of Occult Philosophy or Barrett's The Magus. Now this esoteric information is available to Witches, complete with suggested workings for both the waxing and the waning lunar phase in each mansion. Moura provides the tools, the instruction, and examples of how to utilize the Mansions of the Moon to add depth and potency to your spells and rituals. More than one hundred workings are presented, including candle spells, charm bags, meditations, magical oils, talismans, amulets, incense, teas, and much more.
