of orphans in 19th century England. Müller humbly beckons every single one of his readers to follow his lead toward a life of uncomplicated, dynamic faith in the King of kings and Lord of lords who is alive and waiting to overturn every paradigm of a watching world. Our modern world desperately needs to see the power and light of the risen Christ bursting forth from our lives. Who among us is willing to take up the baton of faith Müller extends to us here and offer up our lives as living sacrifices to the faithful God of love?

In this classic work, *Answers to Prayer*, Muller shows how powerful prayer and God's provision can be when it is fully relied on.
