The Business of the 21st CenturyBy Robert T. Kiyosaki

For the past several years, multimillionaire businessman, entrepreneur, and investor Robert Kiyosaki has been a staunch supporter of network marketing. Like many people, he was skeptical about the industry at first ... until he learned firsthand what network marketing is all about: helping people. In his latest book, the author of the phenomenally successful Rich Dad Poor Dad series shows why network marketing is indeed the business of the 21st century. Robert shares the eight wealth-building assets offered by network marketing that allow you to take advantage of these tough economic times to build a strong financial future and happier life.

Three world experts share their insights on designing the business school of the future, and how to make it work.

\"In this Second Edition of his bestselling book, Robert T. Kiyosaki updates and expands his original eight \"hidden values\" of a network marketing business (other than making money!) Special Bonus-three additional \"hidden values\" from Kim Kiyosaki and Sharon Lechter\"--Page 4 of cover.

This invaluable guide provides comprehensive profiles of more than one hundred hot new businesses that promise the top opportunities for small-business people in the future. Paul and Sarah Edwards explore the best opportunities for self-employment in the next century--ranging from being a business-network organizer to running a transcript-digesting service--and provide expert, step-by-step advice on: the skills and knowledge needed to startup; the start-up costs, pricing, and potential earning; the best ways to get new business; the advantages and disadvantages of each business; the hands-on advice of those already in the field.In addition to the nearly one hundred businesses profiled, an expanded section on \"The Best of the Rest\" explores dozens of additional top businesses to watch for. The Best Home Businesses for the 21st Century is the smartest, most complete book available for anyone looking for right ways to make it on their own.

This book offers an outlook on relations in the 21st century between national governments and multinational companies.

New Business in India is focused on how to enter the Indian domestic market, which is currently growing at nearly 10% per annum. The book is important as it is based on first-hand experience and real insights into the market in India, establishing a company and business, and developing the marketing and sales programme for both business-to-business (B2B) and business-to-consumer (B2C) companies. Serving as a comprehensive introduction to entering the market, this book, in short, is able to take business planners and developers working in both large and small companies through the processes they must address in order to establish a successful business in India at a time when there is a first-mover advantage.
