The Captain Is Out To
Very nice in fine condition a First Edition of Charles Bukowski's The Captain is Out to Lunch and The Sailors Have Taken Over The Ship , and published by The Black Sparrow Press , Santa Rosa , 1998 , 144 pgs. This book is illustrated by Robert Crumb , and is one of a 1000 of the unsigned First Editions.

The Captain is Out to Lunch and Sailors Taken Ship ...

The Captain Is Out To Lunch And The Sailors Have Taken Over The Ship, a delightful, posthumous gathering of excerpts from Bukowski notebooks, is loaded with such direct ruminations about writing, death, money, humanity, and how the author located meaning and value in his daily life and work.

The Captain is Out to Lunch: Charles Bukowski, Robert ...

The Captain Is Out to Lunch and the Sailors Have Taken Over the Ship is a collection of extracts from the journals of Charles Bukowski, spanning 1991 to 1993. The book was first published in 1998 with illustrations by Robert Crumb .

The Captain Is Out to Lunch and the Sailors Have Taken ...

The book is a quick read and made me laugh out loud at times. R Crumb's artwork is pretty much always a pleasure, though there are only a few pictures-somewhat less than what I was expecting. At the end of the book I felt pretty sad to think that Bukowski had died, throughout the quick entries I felt like he was talking to me and it was sad ...

Journals, with illustrations by Robert Crumb. Raw, iconoclastic, by turns rueful and hilarious, these last journals by Charles Bukowski have found their perfect match: the brilliant, outrageous comic art of Robert Crumb who has provided a portrait of the author plus twelve striking full-page drawings illustrating select passages from the text. Beginning in August 1991, these journals alternate between generous accounts of his gambling jaunts and the bizarre intrusions of fame: the interviewers, Hollywood glitterati, TV producers -- odd counterpoints to "the racetrack crowd ... the world brought down to size, life grinding against death and losing." Disarmingly candid, and salted with a particularly wry and gritty wisdom.

Start your year with the uplifting and heartwarming life lessons from a truly inspirational man, Captain Sir Tom Moore 'Full of the infectious energy that inspired the nation' Daily Mirror 'A dose of wisdom from a British hero . . . A paean to the power of positive thinking' Daily Telegraph _____ 'One small soul like me won't make much difference' Captain Tom If Captain Tom's big heart and generosity of spirit helped see us through difficult days, this was his parting gift. In Life Lessons, Captain Tom has shared all that he learned from living a full and vibrant life. With cherished anecdotes and his signature humour, these heartening life stories will teach you how to: · Be comfortable with who you are · Keep smiling through the tough times · Walk in someone else's shoes · Keep an open mind · Find your purpose Full of the wit, warmth and wisdom that made him so special, his reflections and guiding principles form a long life, well lived; Life Lessons will be a source of reassurance, hope, and encouragement for generations to come. And a reminder, whenever times are hard, that tomorrow will be a good day. _____ Praise for Captain Sir Tom Moore: 'A wonderful life story with lessons for us all . . . beautifully written' Daily Telegraph 'Engaging . . . His upbeat nature shines through and reminds us how much worse this year would have been without him' Evening Standard 'A great book' Good Morning Britain 'A beautiful book. We have so much to learn from Captain Sir Tom' Chris Evans

A bold new theory of leadership drawn from elite captains throughout sports—named one of the best business books of the year by CNBC, The New York Times, Forbes, strategy+business, The Globe and Mail, and Sports Illustrated “The book taught me that there’s no cookie-cutter way to lead. Leading is not just what Hollywood tells you. It’s not the big pregame speech. It’s how you carry yourself every day, how you treat the people around you, who you are as a person.”—Mitchell Trubisky, quarterback, Chicago Bears Now featuring analysis of the five-time Super Bowl champion New England Patriots and their captain, Tom Brady The seventeen most dominant teams in sports history had one thing in common: Each employed the same type of captain—a singular leader with an unconventional set of skills and tendencies. Drawing on original interviews with athletes, general managers, coaches, and team-building experts, Sam Walker identifies the seven core qualities of the Captain Class—from extreme doggedness and emotional control to tactical aggression and the courage to stand apart. Told through riveting accounts of pressure-soaked moments in sports history, The Captain Class will challenge your assumptions of what inspired leadership looks like. Praise for The Captain Class “Wildly entertaining and thought-provoking . . . makes you reexamine long-held beliefs about leadership and the glue that binds winning teams together.”—Theo Epstein, president of baseball operations, Chicago Cubs “If you care about leadership, talent development, or the art of competition, you need to read this immediately.”—Daniel Coyle, author of The Culture Code “The insights in this book are tremendous.”—Bob Myers, general manager, Golden State Warriors “An awesome book . . . I find myself relating a lot to its portrayal of the out-of-the-norm leader.”—Carli Lloyd, co-captain, U.S. Soccer Women’s National Team “A great read . . . Sam Walker used data and a systems approach to reach some original and unconventional conclusions about the kinds of leaders that foster enduring success. Most business and leadership books lapse into clichés. This one is fresh.”—Jeff Immelt, chairman and former CEO, General Electric “I can’t tell you how much I loved The Captain Class. It identifies something many people who’ve been around successful teams have felt but were never able to articulate. It has deeply affected my thoughts around how we build our culture.”—Derek Falvey, chief baseball officer, Minnesota Twins

A savage satire of the United States in the throes of insanity, this blisteringly funny novel tells the story of a noble ship, the Glory, and the loud, clownish, and foul Captain who steers it to the brink of disaster. When the decorated Captain of a great ship descends the gangplank for the final time, a new leader, a man with a yellow feather in his hair, vows to step forward. Though he has no experience, no knowledge of nautical navigation or maritime law, and though he has often remarked he doesn't much like boats, he solemnly swears to shake things up. Together with his band of petty thieves and confidence men known as the Upskirt Boys, the Captain thrills his passengers, writing his dreams and notions on the cafeteria wipe-away board, boasting of his exemplary anatomy, devouring cheeseburgers, and tossing overboard anyone who displeases him. Until one day a famous pirate, long feared by passengers of the Glory but revered by the Captain for how phenomenally masculine he looked without a shirt while riding a horse, appears on the horizon . . . Absurd, hilarious, and all too recognizable, The Captain and the Glory is a wicked farce of contemporary America only Dave Eggers could dream up.

The deeply personal story of a friendship between two teammates, and of a human bond which ultimately transcends the game itself. As back-to-back No. 1 draft picks for the New York Yankees, Ron Blomberg and Thurman Munson made for an odd couple. One was a good-looking, gregarious kid from Atlanta who cheerfully talked anyone's ear off at the slightest provocation; the other was a dumpy, grumpy dude from the Midwest rust belt who was about as fond of making idle chit-chat as he was of shaving. Despite the surface differences, the two men would form a close attachment as they ignited a youth movement with the 1970s Yankees. Now, over 40 years after Munson's shocking death in a plane crash at age 32, Blomberg opens up to author Dan Epstein about the beloved Yankees captain in an extraordinary memoir that reaches far beyond baseball.? By turns hilarious and heartbreaking, The Captain & Me shares tales of clubhouse hijinks during the infamous Bronx Zoo era, adventures on the road, and even rubbing shoulders with mobsters. Blomberg also offers a fascinating glimpse into baseball history, including the first-ever strike and lockout, the escalation of the Yankees–Red Sox rivalry, and the start of full-scale free agency. This illuminating remembrance of Munson is filled with untold stories about his analytical-yet-hard-nosed approach to baseball, as well as his kindness and generosity off the field.

A memoir from one of the most admired players in baseball, the captain of the New York Mets, David Wright David Wright played his entire Major League Baseball career for one team, the team he dreamed of playing for as a kid: the New York Mets. A quick fan favorite from Virginia who then earned his stripes in New York, Wright came back time and again from injury and demonstrated the power of hard work, total commitment, and an infinite love of the game. Wright's stats are one thing. He was a seven-time All-Star, a two-time Gold Glove Award winner, and a two-time Silver Slugger Award winner. He holds many Mets franchise records and was nicknamed "Captain America" after his performance in the 2013 World Baseball Classic. But there is more: The walk-offs. The Barehand. The Subway Series and World Series home runs. And the electricity that swept through Shea Stadium then Citi Field whenever number 5, "the Captain," was in the game.

In her exhilarating debut novel, Kresley Cole captures the drama, passion, and boundless adventure of the high seas -- as one fiery lass finds herself caught in a tide of torrid romance. Raised as a free spirit aboard her American sea captain father’s majestic clipper ship, willful Nicole Lassiter has never encountered an obstacle she couldn’t overcome -- until she meets Captain Derek Sutherland. His sizzling kisses leave her longing, but after they share a night of passion, his subsequent disdain makes her blood boil. Nicole vows to take her revenge -- by helping her father beat Sutherland in a high-stakes competition: the Great Circle Race from England to Australia. Nicole's scheme is thrown overboard after her father is wrongly imprisoned, yet she remains undaunted -- taking to the high seas with her father's ship. But a storm wrecks her plans, and she finds herself a virtual prisoner aboard Sutherland’s vessel. And while her mind tells her she should escape, her body urges her to surrender...

History that doesn't suck: Smart, crude, and hilariously relevant to modern life. Those who don't know history are doomed to repeat it. Too bad it's usually boring as sh*t. Enter The Captain, the ultimate storyteller who brings history to life (and to your life) in this hilarious, intelligent, brutally honest, and crude compendium to events that happened before any of us were born. The entries in this compulsively readable book bridge past and present with topics like getting ghosted, handling haters, and why dog owners rule (sorry, cat people). Along the way you'll get a glimpse of Edith Wharton's sex life, dating rituals in Ancient Greece, catfishing in 500 BC, medieval flirting techniques, and squad goals from Catherine the Great. You'll learn why losing yourself in a relationship will make you crazy--like Joanna of Castile, who went from accomplished badass to Joanna the Mad after obsessing over a guy known as Philip the Handsome. You'll discover how Resting Bitch Face has been embraced throughout history (so wear it proudly). And you'll see why it's never a good idea to f*ck with powerful women--from pirate queens to diehard suffragettes to Cleo-f*cking-patra. People in the past were just like us--so learn from life's losers and emulate the badasses. The Captain shows you how.

When Demora Sulu, an exemplary young Starfleet officer, suddenly attacks her commanding officer, who kills her in self-defense, everyone is stunned. No one is more grief-stricken than her father, Captain Hikaru Sulu of the U.S.S. Excelsior.Determined to learn the truth behind his daughter's bizarre death, Sulu goes to the planet where she was killed, and finds himself confronted by an old enemy eager to destroy Sulu's reputation and his life!

NEW YORK TIMES BESTSELLER “Derek Jeter is undoubtedly the most talked about, argued about, cheered, booed and ultimately respected baseball player of his generation. And as public a figure as he has been, he is in many ways the least known. That changes now as Ian O’Connor, one of the best sports writers anywhere, goes deep and does what no one has quite been able to do: Tell us a bit about who Derek Jeter

really is."—Joe Posnanski, author of *The Machine* "Deftly told."—*The Washington Post* In *The Captain*, Ian O'Connor draws on unique access to Derek Jeter and more than 200 new interviews to reveal how a biracial kid from Michigan became New York's most beloved sports figure and the face of the steroid-free athlete. O'Connor takes us behind the scenes of a legendary baseball life, from Jeter's early struggles in the minor leagues, when homesickness and errors threatened a stillborn career, to the heady days of Yankee superiority and nightlife, to the battles with former best friend A-Rod. All along the way, Jeter has made his Hall-of-Fame destiny look easy. But behind that leadership and hero's grace there are hidden struggles and complexities that have never been explored, until now.
