Penguin Essentials refers to two series of books published by Penguin Books in the UK. The first series began in 1998, and the second in 2011. For both series, the classic books were released in smaller A-format size; the covers were redesigned by contemporary artists to appeal to a new generation of readers. Many titles appeared in both series.

A bestselling dystopian novel that tackles surveillance, privacy and the frightening intrusions of technology in our lives—a " compulsively readable parable for the 21st century " (Vanity Fair). When Mae Holland is hired to work for the Circle, the world ' s most powerful internet company, she feels she ' s been given the opportunity of a lifetime. The Circle, run out of a sprawling California campus, links users ' personal emails, social media, banking, and purchasing with their universal operating system, resulting in one online identity and a new age of civility and transparency. As Mae tours the open-plan office spaces, the towering glass dining facilities, the cozy dorms for those who spend nights at work, she is thrilled with the company ' s modernity and activity. There are parties that last through the night, there are famous musicians playing on the lawn, there are athletic activities and clubs and brunches, and even an aquarium of rare fish retrieved from the Marianas Trench by the CEO. Mae can ' t believe her luck, her great fortune to work for the most influential company in the world—even as life beyond the campus grows distant, even as a strange encounter with a colleague leaves her shaken, even as her role at the Circle becomes increasingly public. What begins as the captivating story of one woman ' s ambition and idealism soon becomes a heart-racing novel of suspense, raising questions about memory, history, privacy, democracy, and the limits of human knowledge.

Selected as a winner of the National Poetry Series by Dean Young John Ashbery called Revelles, Nathan Hoks ' s debut book, a " dazzling " collection and Hoks a poet whose " fine gradations of observation turn the reader into a barometer of strong subtleties like those of the weather, that can be minute even as they affect us powerfully. " The poems in Hoks ' s new book, The Narrow Circle, perform a similar magic. In associative lyrics and fabulist prose, Hoks explores inner and outer experiences. The poems frequently focus on the body as a membrane where everything becomes inside-out—where the " face disperses with angels of teeth and loam, " where " sky comes out of the mouth, " where a giant green worm " burrows a hole in the head, " and where the heart is a vestibule that cannot be closed. Suites of pictures within the text further delineate this inward-outward pull, offering visualizations of interior voices and sketches of exterior shadows.

Fresh on the heels of his New York Times bestselling and National Book Award-nominated novel, Drop City, T. C. Boyle has spun an even more dazzling tale that will delight both his longtime devotees and a legion of new fans. Boyle ' s tenth novel, The Inner Circle has it all: fabulous characters, a rollicking plot, and more sex than pioneering researcher Dr. Alfred Kinsey ever dreamed of documenting . . . well, almost. A love story, The Inner Circle is narrated by John Milk, a virginal young man who in 1940 accepts a job as an assistant to Dr. Alfred Kinsey, an extraordinarily charming professor of zoology at Indiana University who has just discovered hialle ' s true calling: sex. As a member of Kinsey ' s " inner circle " of researchers, Milk (and his beautiful new wife) is called on to participate in sexual experiments that become increasingly uninhibited—and problematic for his marriage. For in his later years Kinsey (who behind closed doors is a sexual enthusiast of the first order) ever more recklessly pushed the boundaries both personally and professionally. While Boyle doesn ' t resist making the most of this delicious material, The Inner Circle is at heart a very moving and very loving look at sex, marriage, and jealousy that will have readers everywhere reassessing their own relationships—because, in the end, " love is all there is. "

What Is the What is the story of Valentino Achak Deng, a refugee in war-ravaged southern Sudan who flees from his village in the mid-1980s and becomes one of the so-called Lost Boys. Valentino ' s travels bring him in contact with enemy soldiers, with liberation rebels, with hyenas and lions, with disease and starvation, and with deadly Murahaleen (militias on horseback)—the same sort who currently terrorize Darfur. Eventually Deng is resettled in the United States with almost 4000 other young Sudanese men, and a very different struggle begins. Based closely on true experiences, What Is the What is heartbreaking and arresting, filled with adventure, suspense, tragedy, and, finally, triumph.

A National Book Award Finalist, a New York Times bestseller and one of the most highly-acclaimed books of the year, A Hologram for the King is a sprawling novel about the decline of American industry from one of the most important, socially-aware novelists of our time. In a rising Saudi Arabian city, far from weary, recession-scarred America, a struggling businessman named Alan Clay pursues a last-ditch attempt to stave off foreclosure, pay his daughter's college tuition, and finally do something great. In A Hologram for the King, Dave Eggers takes us around the world to show how one man fights to hold himself and his splintering family together in the face of the global economy's gale-force winds. This taut, richly layered, and elegiac novel is a powerful evocation of our contemporary moment—and a moving story of how we got here.

The Monk of Mokha is the exhilarating true story of a young Yemeni American man, raised in San Francisco, who dreams of resurrecting the ancient art of Yemeni coffee but finds himself trapped in Sana ' a by civil war. Mokhtar Alkhanhali is twenty-four and working as a doorman when he discovers the astonishing history of coffee and Yemen ' s central place in it. He leaves San Francisco and travels deep into his ancestral homeland to tour terraced farms high in the country ' s rugged mountains and meet beleaguered but determined farmers. But when war engulfs the country and Saudi bombs rain down, Mokhtar has to find a way out of Yemen without sacrificing his dreams or abandoning his people.

A boy's circle starts out small but steadily grows as he builds relationships throughout his community.

Prepare to be addicted" Daily Mail "Prescient, important and enjoyable . . . a deft modern synthesis of Swiftian wit with Orwellian prognostication" Guardian "A gripping and highly unsettling read" Sunday Times

Golding ' s iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.
