And after I finished this first book I can say that I was most definitely NOT disappointed. Dante Walker is a collector.

But Aspen reminds him of the rebellious life he used to live and is making it difficult to resist sinful temptations. Though Dante is committed to living clean for his girlfriend Charlie, this dude's been a playboy for far too long...and old demons die hard. With Charlie becoming the girl she was never able to be pre-makeover and Aspen showing him how delicious it feels to embrace his inner beast, Dante will have to go somewhere he never thought he'd return to in order to accomplish the impossible: save the girl he's been assigned to, and keep the girl he loves. A pulse-pounding thrill ride, where a teen girl must participate in a breathtaking race to save her brother's life—and her own. Time is slipping away. . . . Tella Holloway is losing it. Her brother is sick, and when a dozen doctors can't determine what's wrong, her parents decide to move to the middle of nowhere for the fresh air. She's lost her friends, her parents are driving her crazy, her brother is dying—and she's helpless to change anything. Until she receives mysterious instructions on how to become a Contender in the Brimstone Bleed. It's an epic race across jungle, desert, ocean, and mountain that could win her the prize she desperately desires: the Cure for her brother's illness. But all the Contenders are after the Cure for people they love, and there's no guarantee that Tella (or any of them) will survive the race. The jungle is terrifying, the clock is ticking, and Tella knows she can't trust the allies she makes. And one big question emerges: Why have so many fallen sick in the first place? Victoria Scott's breathtaking novel grabs readers by the throat and doesn't let go.

How far would you go to survive? In FIRE & FLOOD, Tella Holloway faced a dangerous trek through the jungle and a terrifying march across the desert, all to remain a Contender in the Brimstone Bleed for a chance at obtaining the Cure for her brother. She can't stop - and in SALT & STONE, Tella will have to face the unseen dangers of the ocean, the breathless cold of a mountain, and twisted new rules in the race. But what if the danger is deeper than that? How do you know who to trust when everyone's keeping secrets? What do you do when the person you'd relied on most suddenly isn't there for support? How do you weigh one life against another? The race is coming to an end, and Tella is running out of time, resources, and strength. At the beginning of the race there were one hundred twenty-two Contenders. As Tella and her remaining friends start the fourth and final part of the race, just forty-one are left . . . and only one can win. Victoria Scott's stunning thriller will leave readers' hearts racing!

Many notable people have visited the area, such as Booker T. Washington, W.E.B. DuBois, Countee Cullen, Elton Fax, Madame C.J. Walker, Marcus Garvey, and Princess Wee Wee.
