Having dealt with these weighty facts and suspicions, "The Commander X Files – Updated" moves on to the writings of Commander X – as told to Jim Keith. The first chapter, called "Escape to Abduction," is a thrilling opener as it recounts the story of Commander X being warned by a phone call from a friend in the intelligence community that the Commander's cover had been blown and he should "run like hell."

WILL THE REAL COMMANDER X PLEASE STAND UP "IDENTITY" OF MILITARY INTELLIGENCE OPERATIVE REVEALED FOR FIRST TIME! For more than a decade the mysterious Commander X has caused controversy and dissension among conspiracy theorists, Area 51 aficionados and UFO believers world-wide. Some accept his hair-raising accounts of working behind the scenes with the CIA, the NSA and other government and quasi-federal agencies at face value, while others scratch their heads in bewilderment and wonder if his first-hand chronicles are not at least partially linked to a disinformation program promoted by the New World Order. His face to face confrontations with the greys and reptilians have caused deep concern and discomfort to many. For the first time, here is the complete dossier on Commander X's many exploits both with various groups of highly aggressive ultra-extraterrestrials as well as his various battles with our own earthly authorities hell-bent on keeping all these matters of a highly confidential - TOP SECRET! - nature. Included among the many shocking - and surprising - revelations found herein: * The Alien Dinosaur Connection. * Who inhabits the Subterranean Regions of Earth? * Evidence suggests humans victims were still alive when their blood was drained and body parts removed in underground UFO bases. * The many special powers of ETs - including levitation, dematerialization, invisibility, mind control, advanced light beam technology. * A Nazi - Alien collaboration. How the Occult inner circle of the Third Reich contacted grey aliens before World War II using ritual magic. * Evidence Hitler shipped equipment and slave laborers to the Antarctic to construct a fleet of flying saucers. * The end results was the start of a program to infiltrate the governments of the world after WWII. Many of the early UFO contactees had Nazi UFO connections. * Proof that the Nazis transferred into the midst of the American spy and space agencies. AND MOST IMPORTANTLY OF ALL - ARE HUMAN CLONES GOING TO BE USED TO REPLACE ASSASSINATED POLITICIANS? Only Commander X dares answer these questions.

In several previous works Commander X, a retired military intelligence operative, through his close ties with members of the CIA and other 'highly positioned' contacts, has dared to speak out about the on-going battle between a group of extraterrestrials and branches of the military who refuse to go along with a Top Secret agreement made with the 'Secret Government'. This agreement, made in the 1950s, calls for an exchange of technology between the Grays and the 'Secret Government' that operates with a clearance 15 degrees above that of the President. Now for the first time anywhere, Commander X reveals the intimate details of his own horrifying contacts with the Grays and his on-going harassment by certain branches of the military.

Here stands the New Man. His conception of reality is a dance of electronic images fired into his forebrain, a gossamer construction of his masters, designed so that he will not-under any circumstances-perceive the actual. His happiness is delivered to him through a tube or an electronic connection. His God lurks behind an electronic curtain; when the curtain is pulled away we find the CIA sorcerer, the media manipulator. There has never been a book which so carefully and thoroughly exposes the secret plans to dominate world consciousness. Book jacket.

Top secret revelations concerning a newly-developed anti-gravity aircraft, as disclosed by a former military intelligence operative. This aircraft is based upon an invention by Nikola Tesla. Tesla arrived upon our cosmic shores in order to shape our technical and spiritual destiny. Tesla (the author reveals) came from another place to alert the world of pending danger (WWI and II), while at the same time offering 'helpful solutions' to our problems and ways to enhance our lives.

Visits by unknown agents are seeded throughout UFO literature and newspaper accounts of flying saucer sightings. For many years they were overlooked or not recognised for what they were. Today just about every UFO investigator has encountered these Men in Black during their research. The history of Demonology, Witchcraft and the Occult are filled with similar incidents leading one to speculate that the UFO phenomena is at least partly 'psychic' in nature. The Men in Black appeared during several UFO flaps in the last century. In 1864, a UFO dropped several artefacts over a small community in Texas. They were placed by the citizens of the town in the front window of a shop on the main street of town. The next day a travelling dealer stopped by and offered the shop keeper a 'good price' for the objects and carted them away with him. Several similar incidents happened in 1897 and 1898. Many of the occupants observed during this period were said to have oriental features, dark complexions slight stature and a heavy, indefinable accent -- identical to the features described by observers of the MIB, who continue to harass and frighten witnesses today.

The primary conspiracy of the late 20th century.

EINSTEIN ONLY HAD PART OF THE EQUATION DOWN PAT! ORDINARY PEOPLE HAVE TRAVELED BACKED AND FORTH THROUGH THE CORRIDOR OF TIME AND SPACE - AND THIS COULD BE YOUR OPPORTUNITY TO DO SO AS WELL. Up until recently it was thought that Einstein had revealed all there ever was to know about time and space and how we could never travel forward or backward in time without reaching the speed of light. Today those that have adopted the "string theory" of Physics have come to believe that everything in the universe exists at one time simultaneously. Retired Intelligence Operative Commander X and Emmy Award winning Tim R. Swartz have declared in this valuable book - written in easy to read terms - that we are not prisoners of Time and Space, but rather are prisoners of our physical bodies and the learned behaviors of existing in the material world. The Universe and its many mysteries await those who are not afraid to throw off the shackles of unawareness and begin the quest of exploration and learning. In TIME TRAVEL - FACT NOT FICTION!, a vastness of relevant topics are reviewed and discussed logically, including: Spontaneous Cases of Time Travel -- People Caught In The Eddies Of Time -- An Encounter With Spirits -- Or A Brief Visit To The Past? -- The Mystery of Time Slips -- Doorways in Time -- People, Buildings and Towns From Beyond Time -- The Restaurant At The Edge Of Time -- Flight Into The Future -- Is Death a Jump in Time? -- Are UFOs Time Machines? -- The Philadelphia Experiment and the Montauk Project - Working Time Machines -- Nikola Tesla's Time Travel Experiments -- Human Time Machines -- Techniques for mental time travel -- UFOs and Time Distortion. Here also are actual cases of people who have traveled through time and space and returned to the "present" to relate their experience. We are on the cusp of a great new discovery of benefit to all of humankind if "powerful forces" do not prevent this vital information from being distributed to everyone.
