****This omnibus edition includes all three full-length novels from the USA Today Bestselling Here and Now Series: Lost in Me, Fall to You, and All for This.**** Torn between the man she's always wanted and the rocker she can't remember...and can't let go... When an injury leaves Hanna Thompson without her last year of memories, she wakes to a perfect life—right down to an engagement ring from her unrequited love, Max Hallowell. But each day makes her question if she has the life she always wanted or if she's been living a lie. As she searches for answers, every path leads to rocker Nate Crane. And Nate wants her for himself. " Sexy, twisty and utterly addictive...Clear your schedule. An amazing read!" —NYT Bestselling Author Kendall Ryan LOST IN ME The last thing I remember is having drinks at Brady ' s and trying to avoid eye-contact with my life-long crush—the gorgeous, unattainable Maximilian Hallowell. They tell me that was a year ago, but I have no memories of anything since then. What I do have is this ring on my finger that Max says he gave me, and this much-thinner body I ' ve dreamed of most of my life. Aside from a case of retrograde amnesia, everything seems almost...perfect. But the deeper I immerse myself into this new world of mine—planning a wedding to a man I don't remember dating, attempting to run a business I don't remember starting—the clearer it becomes that nothing is as it seems. Do I have the life I ' ve always wanted or is it a facade propped up by secrets I don't even know I have? I need answers before I marry Max, and the only person who seems to have them is the angry, tatted, sexy-as-sin rocker Nate Crane. And Nate wants me for himself. FALL TO YOU Torn between two men... When I woke up after the accident, I couldn ' t remember anything from the last year—including my relationship with Max Hallowell or anything about Nate Crane. Now my memories are returning, but instead of answering my questions, they ' re leaving me with more. The man who broke my heart and wants to be my future... Max is all I ever wanted, and now he wants to marry me. He ' ll do everything he can to fill my life with love, family, and security. I need those things now more than ever. But can I trust him? The man who stole my heart and wants to let me go... Nate never made me promises, and I never asked him to. I ' d been on the rebound, looking for a distraction, and he made me feel beautiful and wanted when I needed to feel those things most. He says he has to let me go, but what if I can ' t let go of him? With every revelation and every passing day, I feel more like Alice down the rabbit hole. I ' m falling. Who will catch me? ALL FOR THIS What if you would never remember the day you made the most important decision of your life? That ' s what they ' re telling me about the day of my accident—the day I put on Max ' s ring and chose him over Nate. I ' m counting on the wisdom behind a decision I don ' t remember making. Max is amazing—sexy, sweet, and kind. I was starting to believe happily-ever-after might be in my future after all. Then the unthinkable happened and my world imploded. If I ' m going to make this work with Max, I need my missing memories, or at least answers from about those five days before my accident. But what does my future hold if those answers aren ' t anything like I imagined?

Now Emmaline Carson has settled into her career as a graphic designer, though she'd rather be painting or shopping with her sister Layla. But then - in the years before she went to art school in Paris - she was a shy, awkward teenager with frizzy hair, a flat chest and a massive crush on the boy across the street, Cole Marlowe. Too bad her incredibly hot neighbor only had eyes for Layla. Cole is now a confident, laid-back attorney who's even hotter than he used to be. He's planning to stay single while working his way up the corporate ladder - until he's knocked off course by a chance run-in with Emma. Everything is different between Cole and Emma now. He finally sees her in a way she only dreamed of, and their hot chemistry is fueled by a growing friendship. But Emma's deception of her sister - who wants Cole for herself - and the secret Cole's been keeping for more than a decade threaten to tear apart what's only just begun. Because sometimes the only thing standing in the way of now is then.

" Jody is a masterful storyteller, with beautifully developed characters, incredible landscapes and every now and then she throws in a plot twist that will leave you reeling. " —Goodreads review Did you hear the rumor about the girl from the wrong side of the tracks who intentionally got pregnant with her wealthy boyfriend ' s baby? The one thing that ' s made perfect sense in Ginny Adair ' s eighteen years was falling for level-headed Eric Cavanaugh. Growing up wasn ' t exactly the same kind of party for her that it was for her boyfriend. While Eric and the other quintuplets ran roughshod over their family ' s Texas ranch, Ginny was hiding from a cruel stepfather with a compulsive gambling habit. Uncertain if leaving for college might mean losing the one person she ' s come to count on, all it takes is a single misstep for Ginny to unravel both of their lives. Now the entire small town is convinced Ginny always intended on cashing in on the notoriety of snagging herself a Kingsbrier Quintuplet. Eric Cavanaugh ' s infamously misbehaved siblings count on his dependability. Stable grades. Stable relationship with a girlfriend the rest of the quints agree is just about the nicest, smartest, most trustworthy person they know. But when Ginny ' s actions prove deceitful, it leaves Eric ' s solid plan to take over the family business on shaky ground and leaves him questioning if his brothers and sisters have misplaced their confidence in him. To make matters worse, Ginny ' s stepfather is proving he ' ll do anything to get his hands on Eric ' s trust fund. Eric knows Ginny isn ' t like that and will do anything to earn his forgiveness. Some mistakes change the course of your future... But a baby is a mistake you can ' t take back.

Book Three: Robots Revolt The robot villains from Super Bot World 3 have been released into the real world, and it's up to Jesse to get them back. This is Jesse's most dangerous mission yet, because this time, the video game is real. And in the real world, there are no extra lives. Book Four: Return to Doom Island In this retro adventure, Jesse will need to outsmart a superintelligent android, outlast a tireless drone, and outswim an eight-bit shark. If he can somehow pull all that off, Jesse will discover that he hasn't even gotten to the scary part yet. Book Five: The Final Boss Jesse and Eric have 10 minutes to save the world. In those 10 minutes, they're supposed to dive into a massive video game universe, track down an all-powerful madman, and stop his evil plan before it's too late. Sound impossible?
