The main story is about an elephant and his friend who is a dog. The elephant was taken care of by the king and the king loved the elephant. A starving dog managed to slip past the palace gates and the dog and the elephant quickly bonded and became friends. The king sold the dog to make some extra money. Without the dog to keep it company, the elephant became sad and just lay there.

The amazing true story of a herd of elephants, the man who saved them, and the miracle of love that brought them home. One day in 1999, Lawrence Anthony and Françoise Malby hear that a herd of wild African elephants need a new home. They welcome the elephants to their wildlife sanctuary—Thula Thula—with open arms. But the elephants are much less sure they want to stay. How will Lawrence prove to them that they are safe and loved? What follows is a gorgeously illustrated real-life story of a friendship . . . and the story of the miraculous way that love given freely will return—greater and more wonderful than it began. • TOUCHING ANIMAL FRIENDSHIPS: Owen and Mzee, Tarra and Bella, Rescue and Jessica . . . touching true stories of the emotional bonds possible between species are charming, and speak to the limitlessness of love. • ELEPHANT APPEAL: Elephants are one of the most fascinating and charming wild animals in all of nature. heartwarming true story will intrigue and inspire children, and turn even the most reluctant readers into elephant enthusiasts.

- **CONSERVATION THEME:** This book tells the true story of caring for one of the world's most beloved endangered animals: the African elephant. This book is a great, upbeat jumping-off point for discussions of the importance of preserving endangered species and their environments.
- **ENGAGING NONFICTION:** There's no better way to get readers hooked on factual books than to offer them real-life stories with heart and meaning.
- **STRONG CURRICULUM CONNECTIONS:** The Next Generation Science Standards (NGSS) emphasize learning about animal habitats/biomes in K-2 curriculums, while later grades address topics like conservation and endangered species. With a depth of research and an engaging, highly visual narrative, this book is an excellent resource for librarians and primary school educators. Perfect for:
 - Kindergarten and elementary school teachers
 - Parents and grandparents
 - Librarians
 - Lovers of animals, wildlife, and the natural world
 - Zoo and natural history museumgoers

From Rachel's rascally rat to Gordon's glittering goldfish, none of the other children's pets is as big as Emma's enormous elephant.
