which exposes that this conflict is not localized to denominations or geography, but it is a universal human spiritual conflict. Many topics covered in this work highlight events not generally referenced. The author's discipline as a medical doctor informs his exposition of the book's theme, particularly in the chapters on Warfare Realities. The spirit world can be seen, so he calls on the development of spiritual sensitivity. Truth wins, so we should embrace a Biblical worldview to be successful. Our understanding of Satan and the strongholds he sets up will expose the secrets of the war, thus enabling us to overcome the Strongman. Wherever or at whatever level you are in the conflict, OVERCOMING THE STRONGMAN will significantly benefit you since it touches
