Adventure abounds when a toy comes to life in this classic novel! It's Omri's birthday, but all he gets from his best friend, Patrick, is a little plastic warrior figure. Trying to hide his disappointment, Omri puts his present in a metal cupboard and locks the door with a mysterious skeleton key that once

belonged to his great-grandmother. Little does Omri know that by turning the key, he will transform his ordinary plastic toy into a real live man from an altogether different time and place! Omri and the tiny warrior called Little Bear could hardly be more different, yet soon the two forge a very special friendship. Will Omri be able to keep Little Bear without anyone finding out and taking his new friend away?

It's been over a year since Omri discovered in *The Indian in the Cupboard* that, with the turn of a key, he could magically bring to life the three-inch-high Indian figure he placed inside his cupboard. Omri and his Indian, Little Bear, create a fantastic world together until one day, Omri realizes the terrible consequences if Little Bear ever got trapped in his "giant" world. Reluctantly, Omri sends the Indian back through the cupboard, giving his mother the magic key to wear around her neck so that he will never be tempted to bring Little Bear back to life. But one year later, full of exciting news, Omri gives way to temptation when he finds that his mother has left the magic key lying on the bathroom sink. A whole new series of adventures awaits Omri as he discovers that his Indian has been critically wounded during the French and Indian Wars and desperately needs Omri's help. Now, helplessly caught between his own life and his cupboard life of war and death, Omri must act decisively if he

is to save Little Bear and his village from being completely destroyed. What began as a harmless game has turned into a horrible nightmare, a nightmare in which Omri is irrevocably involved, and from which he may never escape.

In the fourth book in Bank's acclaimed INDIAN IN THE CUPBOARD saga, Omri and his family move to an old farmhouse, where he finds an ancient notebook that reveals a family secret—and the mysterious origins of his magical cupboard.

As his adventures with Little Bear continue, Omri travels from the French and Indian wars to the present, and then back to the Old West at the turn-of-the-century.

He felt a draft of cold air. Instinctively he put his arms around his body. Then he looked down at himself and got a shock. He was naked...His first instinct was to hid. he scrambled over the earth floor of the longhouse and ducked under the curtain. Beyond was deeper darkness, but he could make out a sort of room with a raised section against the wall. On this was a mountain range covered with fur, in the shape of a sleeping giant. Omri stared all around, feeling the beginnings of panic. "Dad!" he whispered as loudly as he dared... There was no answer. Omri felt intensely vulnerable with no clothes on. Cold air embraced his

skin from head to foot. He felt a sudden longing to go home. He hadn't reckoned on this--being separated from his dad, it being so dark and cold, so strange, so lonely.

The Indian in the Cupboard is the first of five gripping books about Omri and his plastic North American Indian - Little Bull - who comes alive when Omri puts him in a cupboard. For Omri, it is a dream come true when the plastic American Indian he locks into the old cupboard comes to life. Little Bull is everything an Indian brave should be - proud, fearless and defiant. But being in charge of a real, live, human being is a heavy responsibility, as Omri soon discovers. And when his best friend, Patrick, is let in on the secret, he soon realises that life-changing decisions lie ahead.

The fifth title in this gripping series about Omri and his plastic North American Indian -- Little Bull -- who comes alive when Omri puts him in a cupboard Omri and his father travel back in time to find Little Bull and his people in deep trouble, torn between staying in the West and facing extinction or starting a long trek to a new life in Canada. Omri's final parting with Little Bull is incredibly moving yet the book is also very funny. We meet other favourite characters as well as some new ones and there are wonderful descriptive passages about Little Bull's longhouse and the Iroquois lifestyle. Even
