Tsukiyama paints a portrait of women fighting the forces of war and time to make a life for themselves.

In *Women of the Silk* Gail Tsukiyama takes her readers back to rural China in 1926, where a group of women forge a sisterhood amidst the reeling machines that reverberate and clamor in a vast silk factory from dawn to dusk. Leading the first strike the village has ever seen, the young women use the strength of their ambition, dreams, and friendship to achieve the freedom they could never have hoped for on their own. Tsukiyama's graceful

A powerful new novel about an ordinary family facing extraordinary times at the start of the Chinese Cultural Revolution China, 1957. Chairman Mao has declared a new openness in society: "Let a hundred flowers bloom; let a hundred schools of thought contend." But one July morning, just before his sixth birthday, Tao

Hana is suffering from Werner's syndrome, a disease that makes a person age at twice the rate of a healthy individual: at thirty-eight Hana has the appearance of an eighty-year-old. Cate, her mother, is caring for her while struggling with her grief at

losing her husband, Max, and with the knowledge that Hana's disease is getting worse by the day. Hana and Cate's days are quiet and ordered. Cate escapes to her beloved garden and Hana reads and writes letters. Each find themselves drawn into their pasts, remembering the joyous and challenging events that have shaped them: spending the day at Max's favorite beach, overcoming their neighbors' prejudices that Max is Japanese-American and Cate is Italian-American, and coping with the heartbreak of discovering Hana's disease. One of the great joys of Hana's life has been her relationship

with her beautiful, successful best friend Laura. Laura has moved to New York from their hometown in California and has two daughters, Josephine and Camille. She has not been home in years and begs Hana to let her bring her daughters to meet her, feeling that Josephine, in particular, needs to have Hana in her life. Despite Hana's latest refusal, Laura decides to come anyway. When Laura's loud, energetic, and troubled world collides with Hana and Cate's daily routine, the story really begins. Dreaming Water is about a mother's courage, a daughter's strength, and a friend's love. It is about the importance
