Would you consider the audio edition of The Last Question to be better than the print version? Yes. The performance makes the story, and makes the ending really powerful. The length of the story itself makes this perfect for a a commute between cities. Which scene was your favorite? Chapter 1, and the last chapter. Any additional comments?

The science-fiction short story "The Last Question", written by Asimov and read by Nimoy

**The Last Question—Isaac Asimov—Read by Leonard Nimoy** ---

The question is asked a final seventh time. *AC* is still unable to answer. The last humans merge with *AC* and disappear. Although *AC* is still unable to respond, it continues to ponder the question even after humans, space, and time cease to exist, and *AC* suddenly understands, and answers the age-old question by a demonstration.

**Editions of The Last Question by Isaac Asimov**

The last question was asked for the first time, half in jest, on May 21, 2061, at a time when humanity first stepped into the light. The question came about as a result of a five-dollar bet over highballs, and it happened this way: Alexander Adell and Bertram Lupov were two of the faithful attendants of Multivac. As

Preservationists are worried about troves of records stored on what was once considered a durable medium: the compact disc. Many discs can last for centuries — but most won't.

Communicating Across Cultures is an innovative short course for learners of business English who want to function effectively in an international environment by developing their intercultural skills in English. Drawing on inspirational advice from leading figures in the world of cross-cultural communication, Communicating Across Cultures covers all types of oral and written communication, from meetings to negotiations, telephone calls to emails, and deals with situations ranging from working in international teams to managing conflict. Students are invited to analyse their own intercultural competence and helped to develop a personal action plan for further use beyond the classroom. The Student's Book comes with an audio CD that contains authentic interviews with people from the world of business and extracts from meetings that exemplify the communication strategies presented.

A collection of photocopiable activities and practice material for PET candidates and PET-level learners.

Viewpoint is an innovative course that's based on extensive research into the Cambridge English Corpus, taking students to a higher level of proficiency to become effective communicators. Viewpoint Level 1 Teacher's Edition with Assessment CD-ROM, features page-by-page teaching notes, with step-by-step lesson plans, audio scripts, and answer key for the Level 1 Student's Book and Workbook. It also includes fully customizable quizzes for each unit, as well as mid-terms and end-of-book tests.
