Persian folklore has been handed down from generation to generation for centuries in an effort to understand the past and pass on valuable lessons. Mehry M. Reid remembers sitting next to her grandmother, as she relayed captivating stories adapted to express her own feelings, hopes, and desires. These stories, which her grandmother first heard from her own mother and grandmother, began Reid’s fascination with the Persian legends and folktales that she has selected and reinterpreted in Persian Legends. As Reid transports readers of all ages on an unforgettable journey through ancient Persia, she highlights an eclectic group of characters comprised of people, animals, and objects that trace historical events, share legends most favored in Persian culture, and offer tales that convey their meanings in simple, often humorous ways. Take a walk with Princess Mina in the rose garden; listen to the king’s storyteller; travel to the mountain of the forty virgins; discover the charm of the red diamond; and go to the crystal cave and drink from the wish fountain. Persian Legends: A Book of 101 Stories shares a memorable collection of legends and tales that provides a glimpse into Persian history, helps others appreciate ancient tales, and most importantly, preserves the legacy of folk literature for future generations.

The definitive translation by Dick Davis of the great national epic of Iran--now newly revised and expanded to be the most complete English-language edition A Penguin Classic Dick Davis--"our pre-eminent translator from the Persian" (The Washington Post)--has revised and expanded his acclaimed translation of Ferdowsi's masterpiece, adding more than 100 pages of newly translated text. Davis's elegant combination of prose and verse allows the poetry of the Shahnameh to sing its own tales directly, interspersed sparingly with clearly marked explanations to ease along modern readers. Originally composed for the Samanid princes of Khorasan in the tenth century, the Shahnameh is among the greatest works of world literature. This prodigious narrative tells the story of pre-Islamic Persia, from the mythical creation of the world and the dawn of Persian civilization through the seventh-century Arab conquest. The stories of the Shahnameh are deeply embedded in Persian culture and beyond, as attested by their appearance in such works as The Kite Runner and the love poems of Rumi and Hafiz. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Epic of Kings, Hero Tales of Ancient Persia Firdausi - The Epic of Kings, Hero Tales of Ancient Persia (The Shahnameh) is an epic poem by the Persian poet Firdausi, written between 966 and 1010 AD. Telling the past of the Persian empire, using a mix of the mythical and historical, it is regarded as a literary masterpiece. Not only important to the Persian culture, it is also important to modern day followers of the Zoroastrianism religion. It is said that the poem was Firdausi's efforts to preserve the memory of Persia's golden days, following the fall of the Sassanid empire. The poem contains, among others, mentions of the romance of Zal and Rudba, Alexander the Great, the wars with Afrsyb, and the romance of Bijan and Manijeh.

Inspired by the epic poetry of Ferdowsi, follow the storied lineage of Ancient Persia. This volume beings with the birth of the legendary King Zaul. He was cast out at birth by his father Saum, raised by a mythic bird, and triumphantly claims his father's throne. Zaul's tale is only eclipsed by his son, Rostam, who must endure 7 deadly quests in order to save the Persian Empire. The Epic Mythology of Persian Kings is an exciting tale filled with magical creatures, love, conquest and war.

Alexander the Great (356-333 BC) was transformed into a legend by all those he met, leaving an enduring tradition of romances across the world. Aside from its penetration into every language of medieval Europe, the Alexander romance arguably had its greatest impact in the Persian language.Haila Manteghi here offers a complete survey of that deep tradition, ranging from analysis of classical Persian poetry to popular romances and medieval Arabic historiography. She explores how the Greek work first entered the Persian literary tradition and traces the development of its influence, before revealing the remarkable way in which Alexander became as central to the Persian tradition as any other hero or king. And, importantly, by focusing on the often-overlooked early medieval Persian period, she also demonstrates that a positive view of Alexander developed in Arabic and Persian literature before the Islamic era. Drawing on an impressive range of sources in various languages - including Persian, Arabic and Greek - Manteghi provides a profound new contribution to the study of the Alexander romances.Beautifully written and with vibrant literary motifs, this book is important reading for all those with an interest in Alexander, classical and medieval Persian history, the early Islamic world and classical reception studies.
