Little Bookshop really brings those aspects and the more known places alive through vivid description and detail. Seeing through the main character's eyes (Sarah) as a first time traveller and a girl who is a bit naive makes them even more exciting and magical.

The Little Bookshop. A sense of calm pervades, particularly when you are sitting upstairs in the cosy loft with a new book, which can be in stark contrast with our frenetic pace of life. Wonderful service, very friendly and quick response. I had a very last minute request for some books, and sent an email via the website to request them.

It's The Holiday on the Champs-Élysées in a great big love letter to Paris, charming old bookstores and happily-ever-afters! When bookshop owner Sarah Smith is offered the opportunity for a job exchange with her Parisian friend Sophie, saying yes is a no-brainer—after all, what kind of romantic would turn down six months in Paris? Sarah is sure she's in for the experience of a lifetime—days spent surrounded by literature in a gorgeous bookshop, and the chance to watch the snow fall on the Eiffel Tower. Plus, now she can meet up with her journalist boyfriend, Ridge, when his job takes him around the globe. But her expectations cool faster than her café au lait soon after she lands in the City of Light—she's a fish out of water in Paris. The customers are rude, her new coworkers suspicious and her relationship with Ridge has been reduced to a long-distance game of phone tag, leaving Sarah to wonder if he'll ever put her first over his busy career. As Christmas approaches, Sarah is determined to get the shop—and her life—back in order...and make her dreams of a Parisian happily-ever-after come true.

From helping her grumpy landlord deliver a lamb, to sharing picnics with a charming train conductor who serenades her with poetry, Nina discovers there's plenty of adventure, magic, and soul in a place that's beginning to feel like home... a place where she just might be able to write her own happy ending.

A Shakespearean scholar inherits a beachside bookshop—and a murder mystery—in this delightful new cozy series for fans of Kate Carlisle and Ellery

Adams Summer Merriweather's career as a Shakespeare professor hangs by a bookbinder's thread. Academic life at her Virginia university is a viper's pit, so Summer spends her summer in England, researching a scholarly paper that, with any luck, will finally get her published, impress the Dean, and save her job. But her English idyll ends when her mother, Hildy, shuffles off her mortal coil from an apparent heart attack. Returning to Brigid's Island, North Carolina, for the funeral, Summer is impatient to settle the estate, sell Beach Reads—her mom's embarrassingly romance-themed bookstore—and go home. But as she drops by Beach Reads, Summer finds threatening notes addressed to Hildy: "Sell the bookstore or die." Clearly, something is rotten on Brigid's Island. What method is behind the madness? Was Hildy murdered? The police insist there's not enough evidence to launch a murder investigation. Instead, Summer and her Aunt Agatha screw their courage to the sticking place and start sleuthing, with the help of Hildy's beloved book club. But there are more suspects on Brigid's Island than are dreamt of in the Bard's darkest philosophizing. And if Summer can't find the villain, the town will be littered with a Shakespearean tragedy's worth of corpses—including her own.
