The very greatest composers are able to sustain us in our darkest moments as well as making us laugh and filling us with joy. For me, Sondheim is one of those. From the most intense and brilliant large-scale, dramatic structures (such as Sweeney Todd or Assassins) to the lightest of melodies (A Little Night Music), and from the simplest of chords (Into the Woods) to the most dense harmonies (Follies), he has it all.

The 50 Greatest Composers of All Time—Classical Music

Wolfgang Amadeus Mozart remained engaged in the process of composing music until the very last hours of his life on December 5, 1791. The work in question was his Requiem, which he would not be able to complete. The Lacrimosa was the final section he worked on, leaving the remaining plans for the work still to be realized. This has led to speculation on how much of this final piece was actually written by Mozart.

The Lives of the Great Composers: Schonberg, Harold C

True tales of murder, riots, heartbreak, and great music. With outrageous anecdotes about everyone from Gioachino Rossini (draft-dodging womanizer) to Johann Sebastian Bach (jaibird) to Richard Wagner (alleged cross-dresser), Secret Lives of Great Composers recounts the seamy, steamy, and gritty history behind the great masters of international music. You'll learn that Edward Elgar dabbled with explosives; that John Cage was obsessed with fungus; that Berlioz plotted murder; and that Giacomo Puccini stole his church's organ pipes and sold them as scrap metal so he could buy cigarettes. This is one music history lesson you'll never forget!

Profiles of the world's most outstanding composers from Bach to Schoenberg examines the lives, times, and music of each

In Why Beethoven Threw the Stew, renowned cellist Steven Isserlis sets out to pass on to children a wonderful gift given to him by his own cello teacher - the chance to people his own world with the great composers by getting to know them as friends. Witty and informative at the same time, Isserlis introduces us to six of his favourite composers: the sublime genius Bach, the quicksilver Mozart, Beethoven with his gruff humour, the shy Schumann, the prickly Brahms and that extraordinary split personality, Stravinsky. Isserlis brings the composers alive in an irresistible manner that can't fail to catch the attention of any child whose ear has been caught by any of the music described, or anyone entering the world of classical music for the first time. The lively black and white line illustrations provide a perfect accompaniment to the text, and make this book attractive and accessible for children to enjoy on their own or share with an adult.

It is important that young students learn about the lives of the great composers who have enriched our lives with beautiful music. The 12 units in Stories of the Great Composers give elementary students a glimpse into each composer's life, character and music. Includes a CD recording of the suggested listening, featuring one composition by each composer.
