Mary feels at last that she is achieving her destiny. And when she marries Philip of Spain, her happiness is complete. But Mary's delight quickly turns sour as she realizes that her husband does not love her—indeed, that he finds her devotion irritating. Desperate for a baby, she begins to believe that God is punishing her. Her people are horrified at the severity of the measures she takes and begin to turn against their queen, who is lonely, frightened, and desperate for love. Rafael, a member of Philip of Spain's entourage, reluctantly witnesses the tragedy that unfolds as the once-feted queen tightens her cruel hold on the nation. As Rafael becomes closer to Mary, his life—and newfound love—are caught up in the terrible chaos.

From Suzannah Dunn, the critically acclaimed author of *The Queen of Subtleties*, *The Sixth Wife* and *The Queen's Sorrow*, comes the tragic, gripping, and intensely moving story of Katherine Howard—the fifth wife of England's King Henry VIII—and the best friend she nearly took down with her. *The Confession of Katherine Howard* is masterful historical fiction, ideal for fans of Philippa Gregory and Allison Weir, bringing to rich, lustrous life the sights and sounds of the royal Tudor court while telling a story of passion, intrigue, betrayal, and destiny that will live in the reader's memory long after the final page is turned.

The daughters of a ruthlessly ambitious family, Mary and Anne Boleyn are sent to the court of Henry VIII to attract the attention of the king, who first takes Mary as his mistress, in which role she bears him

an illegitimate son, and then Anne as his wife. Reprint. 250,000 first printing. (A Columbia Pictures film, written by Peter Morgan, directed by Justin Chadwick, releasing Fall 2007, starring Natalie Portman, Scarlett Johansson, Eric Bana, and others) (Historical Fiction)

Rose wakes up one morning feeling royal and, donning jewels and a crown, she seeks her parents who behave as her royal subjects, causing Rose to wonder what they would think if the queen traded places with their daughter.

A gripping novel of love, passion, betrayal, and heartbreak in the unstable Tudor court following the death of King Henry VIII. Clever, level-headed Katherine Parr has suffered through four years of marriage to the aging and irascible King Henry VIII—and she has survived, unlike the five wives who came before her. But less than a year after the old king's death, her heart is won by the dashing Thomas Seymour, and their hasty union undoes a lifetime of prudent caution. An unwilling witness to the queen's late-blossoming love, Catherine, Duchess of Suffolk, harbors nagging suspicions of Kate's handsome and ambitious new husband. But as Catherine is drawn deeper into the web of politics ensnaring her oldest friend, it gradually becomes clear that she has her own dark tale to tell. For though Thomas might betray his wife for power, Catherine might betray her for passion, risking everything she has in a world where love is a luxury not even royalty can easily afford.

Jane Seymour is dutiful, plain and, even at her young age, suspects that her life will be spent as a spinster sister. In fact, it seems almost inconceivable that she ever leave the comfortable confines of Wolf Hall, where she has her world of loving parents, servants, younger sisters, and brother. Her sister-in-law,

Katherine chooses Jane as her confidante, but after two years Edward makes a dreadful allegation against his wife. When Jane is sent away to serve Catherine of Aragon, she is forced to watch another wife being put aside, with terrible consequences.

I saw her file it away: a good Catholic girl come to supervise her in her detention. Every girl in England, now, under the circumstances, made sure to be a good Catholic girl. Except her, of course. And, if only she knew it, me. Escorting 'nine days queen' Lady Jane Grey across the Tower of London from throne room into imprisonment is Elizabeth Tilney, who surprised even herself by volunteering for the job. All Elizabeth knows is she's keen to be away from home, she could do with some breathing space. And anyway, it won't be for long: everyone knows Jane will go free as soon as the victorious new queen is crowned. Which is a good thing because the two sixteen-year-olds, cooped up together in a room in the Gentleman Gaoler's house, couldn't be less compatible. Protestant Jane is an icily self-composed idealist, and catholic Elizabeth is... well, anything but. They are united though by their disdain for the seventeen-year-old to whom Jane has recently been married off: petulant, noisily-aggrieved Guildford Dudley, held prisoner in a neighbouring tower and keen to pursue his prerogative of a daily walk with his wife. As Jane's captivity extends into the increasingly turbulent last months of 1553, the two girls learn to live with each other, but Elizabeth finds herself drawn into the difficult relationship between the newlyweds. And when, at the turn of the year, events take an unexpected and dangerous direction, her newfound loyalties are put to the test.
