undercover operations. The codename for his unit was CHERUB. Henderson died in 1946, but the organisation he created has thrived. CHERUB now has more than two hundred and fifty agents, all aged seventeen or under. Although there have been many technical advances in intelligence operations since CHERUB was founded, the reason for its existence ...

WHAT IS CHERUB?

The Recruit is the first book in the series, where James after moving to CHERUB is sent on a mission that turns out to be one of the biggest in CHERUB history. He must foil a major terrorist plan by the environmental terrorist group Help Earth, who plan to kill every major oil baron in the world, all at once.

When James is recently orphaned, he is recruited by a secret agency for his math skills and must undergo one hundred days of grueling training.

In this action-packed CHERUB novel, two siblings on separate special agent missions both end up in deadly danger. CHERUB agents are all seventeen and under. They wear skate tees and hemp, and look like regular kids. But they're not. They are trained professionals who are sent out on missions to spy on terrorists and international drug dealers. CHERUB agents hack into computers, bug entire houses, and download crucial documents. It is a highly dangerous job. For their safety, these agents DO NOT EXIST. James is the latest CHERUB recruit. He and his sister were recently orphaned, and James has been in a lot of trouble. But he is brilliant in math. And CHERUB needs him. After one hundred days, the grueling training period is over. But the adventure has just begun.

The first title in the number one bestselling CHERUB series! James hits rock bottom before he's offered a new start in an intriguing organisation ... A terrorist doesn't let strangers in her flat because they might be undercover police or intelligence agents, but her children bring their mates home and they run all over the place. The terrorist doesn't know that one of these kids has bugged every room in her house, made copies of all her computer files and stolen her address book. The kid works for CHERUB. CHERUB agents are aged between ten and seventeen. They live in the real world, slipping under adult radar and getting information that sends criminals and terrorists to jail. For official purposes, these children do not exist. Praise for the CHERUB series: 'Punchy, exciting, glamorous and, what's more, you'll completely wish it was true' - Sunday Express 'Crackling tension and high-octane drama' - Daily Mail 'A really good book that you could re-read over and over again' - Guardian 'Pacy writing, punchy dialogue and a gripping plot, it's got it all' - Daily Express 'Fast-moving action ... and cool gadgets!' - The Times Visit cherubcampus.com - the essential internet destination, packed with exclusive content and with in-depth biographies of CHERUB characters, out-takes and bonus stories.

Over the years, CHERUB has put plenty of criminals behind bars. Now, for the first time ever, they've got to break one out ... Under American law, kids convicted of serious crimes can be sentenced as adults. Two hundred and eighty of these child criminals live in the sunbaked desert prison of Arizona Max. In one of the most dangerous CHERUB missions ever, James Adams has to go undercover inside Arizona Max, befriend an inmate and then bust him out. CHERUB kids are trained professionals, working in everyday situations. Their essential advantage: adults never suspect that children are spying on them. For official purposes, these children do not exist.

The thirteenth title in the number one bestselling CHERUB series! Ryan is on his first mission, and it's as big as they get ... Twelve-year-old Ryan is CHERUB's newest recruit. He's got his first mission: infiltrating the billion-dollar Aramov criminal empire. But he's got no idea that this routine job will lead him into an explosive adventure involving drug smugglers, illegal immigrants and human trafficking, or that his first mission will turn into one of the biggest in CHERUB's history. For official purposes, these children do not exist.
