The Second Coming is the first John Niven book I've read and what an introduction! However, it comes with a health warning.....if you are precious about religion, this book is not for you! Religious fundamentalism, mainly in Christianity, takes a hammering as Niven questions the direction religion has taken.

His second novel, *The Amateurs*, moved into the world of golf, with its story of an amateur who qualifies for the Open. His third novel, *The Second Coming*, courts controversy with its depiction of Jesus as a hippy layabout, entrusted with keeping an eye on Earth while God takes a much needed holiday. Unimpressed with his son's stewardship, God returns him to Earth to encourage less elfish behaviour amongst his creations.

In 2008, Ayrshire-born John Niven put years of writing for the music industry to good use in Kill Your Friends, his electric satire of the media business, a novel perceived by many as the British riposte to Bret Easton Ellis's American Psycho. Since, Niven has carved out a career as novelist, columnist and screenplay writer, with books miming a certain caustic and often darkly ...

'GOD'S COMING - LOOK BUSY!' God really is coming, and he is going to be pissed. Having left his son in charge, God treated himself to a well-earned break around the height of the Renaissance. A good time to go fishing. He returns in 2011 to find things on Earth haven't gone quite to plan... The world has been rendered a human toilet: genocide; starvation; people obsessed with vacuous celebrity culture, 'and', God points out, 'there are fucking Christians everywhere'. God hates Christians. There's only one thing for it. They're sending the kid back. JC, reborn, is a struggling musician in New York City, helping people as best he can and trying to teach the one true commandment: Be Nice! From the bestselling author of Kill Your Friends, a wildly funny look at the midlife crisis of a loveable rogue. "A high-octane novel of excess" (Ian Rankin). Irish novelist Kennedy Marr is a first rate bad boy. When he is not earning a fortune as one of Hollywood's most sought after scriptwriters, he is drinking, insulting and philandering his way through Los Angeles, 'successfully debunking the myth that men are unable to multitask.' He is loved by many women, but loathed by even more including ex-wives on both sides of the pond. Kennedy's appetite for trouble is insatiable, but when he discovers that he owes 1.4 million dollars in back taxes, it seems his outrageous, hedonistic lifestyle may not be as sustainable as he thought. Forced to accept a teaching position at sleepy Deeping University, where his ex-wife and teenaged daughter now reside, Kennedy returns to England with a paper trail of tabloid headlines and scorned starlets hot on his bespoke heels. However, as he acclimatizes to the quaint campus Kennedy is forced to reconsider his laddish lifestyle. Incredible

as it may seem, there might actually be a father and a teacher lurking inside this 'preening, narcissistic, priapic sociopath'. "A sharp and knowing satire of the film industry, publishing and academia." -The Guardian

AS the twentieth century breathes its very last, with Britpop at its zenith, twenty-seven-year-old A&R man Steven Stelfox is slashing and burning his way through London's music industry. Blithely crisscrossing the globe in search of the next megahit—fueled by greed and inhuman quantities of cocaine—Stelfox freely indulges in an unending orgy of self-gratification. But the industry is changing fast and the hits are drying up, and the only way he's going to salvage his sagging career is by taking the idea of "cutthroat" to murderous new levels.

'I love John Niven's writing - OBVIOUSLY - but came late to his first book, and was blown away by what vivid, delicate time-travel it is. Every The Band fan in the world MUST read it - it's like living in the music. Just smoky, ravishing magic' Caitlin Moran  
Timed to coincide with the fiftieth anniversary of the release of The Band's debut album, Music from Big Pink is John Niven's first novel - a heady blend of drugs, music, sixties counter-culture and intoxicating youth. Greg Keltner is a 23-year-old drug-dealer and wannabe musician. Through

his eyes, we witness the gestation of a record that will go on to cast its spell across five decades - bewitching and inspiring artists as disparate as The Beatles, Eric Clapton, Wilco and Mercury Rev. Music From Big Pink is fiction: real people like Richard Manuel, Rick Danko, Bob Dylan and Albert Grossman rub shoulders with fictional characters and imagined scenarios. Featuring a new foreword from Barney Hoskyns and a new introduction from the author, Music from Big Pink gives us a unique and vivid insight into the birth and legacy of The Band's debut album.

From the #1 New York Times bestselling author of All the Bright Places comes a compulsively readable novel about a young woman determined to write her own story--sex, heartbreak, family dramas, and all. "A coming-of-age story that will make your heart ache."  
--PopSugar With high school coming to an end, Claudine Henry is focused on four things: sex, starting college, becoming a famous writer, and... sex. But when her parents announce they're splitting up, her entire world begins to fall apart. The epic road trip she planned with her best friend is cancelled, and she finds herself stuck on a remote island off the coast of Georgia with her mom - an island with no WiFi, no cell service and no friends. Until she meets the free spirited, mysterious, and beautiful Jeremiah. He infuriates and intrigues her.

Their chemistry takes her by surprise, and when Claude decides he should be her first, she tells herself it's just sex. Exactly what she wanted, right? They both know that what they have can't last forever, but maybe the time they have can be enough.

James Frey isn't like other writers. He's been called a liar. A cheat. A con man. He's been called a saviour. A revolutionary. A genius. He's been sued by readers. Dropped by publishers because of his controversies. Berated by TV talk-show hosts and condemned by the media. He's been exiled from America, and driven into hiding. He's also a bestselling phenomenon. Published in 38 languages, and beloved by readers around the world. What scares people about Frey is that he plays with truth; that fine line between fact and fiction. Now he has written his greatest work, his most revolutionary, his most controversial. The Final Testament of the Holy Bible. What would you do if you discovered the Messiah were alive today? Living in New York. Sleeping with men. Impregnating young women. Euthanizing the dying, and healing the sick. Defying the government, and condemning the holy. What would you do if you met him? And he changed your life. Would you believe? Would you? The Final Testament of the Holy Bible . It will change you. Hurt you. Scare you. Make you think differently. Live differently. Enrage you. Offend you. Open your eyes to the world
