your wealth, and help you achieve personal life goals “Money is congealed energy,” said Joseph Campbell. And releasing it releases life's possibilities. . . . Thousands of people worldwide have learned how to build a powerful new relationship with their money and bring their dreams to fruition through Dr. Maria Nemeth's dynamic workshops. Now you can, too. In *The Energy of Money*, Dr. Nemeth—who received an Audio Publishers Award for her *Sounds True* series on which this book is based—draws upon her more than twenty years' experience in synthesizing spiritual and practical techniques for managing yourself and your work. Combining a complete self-help and self-discovery regimen with proven methods of money management, this powerhouse guide to prosperity presents twelve principles that will help you to • Uncover the hidden landscape of beliefs, patterns, and habits that underlie and sometimes subvert your everyday use of money and personal resources • Tame the dragons of driven behavior and busyholism • Defuse fears of deprivation and scarcity • Embrace and work through paradox and confusion • Consciously focus your money energy • Clear yourself to receive the energy and support of others and the universe • Develop and stay on your personal path to abundance Through easy-to-follow exercises and meditations, effective worksheets, and other interactive processes, Dr. Nemeth will guide you to financial success and help you manifest your special contribution to the world.

The inspiring story of how the Rudolf Steiner Foundation came to be such an extraordinary pioneer in conscious finance, locally and globally. You will never see money in the same way after reading this ground-breaking book. - Hazel Henderson, author, *Ethical Markets: Growing The Green Economy*.

Healing That Reaches Beyond the Self In this landmark work, Marianne Williamson reminds us that there is a point in everyone's spiritual journey where the search for self-awareness can turn into self-preoccupation. All of us are better off when contemplation of holy principles is at the center of our lives. But it is in applying those principles in our lives that we forge the true marriage between heaven and earth. In the compassionate but clear-eyed prose that has won her so many avid readers, Williamson shows us that the principles which apply to our personal healing also apply to the healing of the larger world. Calling on Americans to turn the compassion in our hearts into a powerful force for social good, Williamson shows us how to transform spiritual activism into a social activism that will in turn transform America into a nation seriously invested in the hope of every child and in the potential of every adult.

The best-selling book about restoring "heart and soul" to the workplace by one of today's most sought-after speakers. Praise for Reclaiming Higher Ground: "Reclaiming Higher Ground is a must read." Ken Blanchard, coauthor of The One-Minute Manager "Lance Secretan applies principles of higher consciousness to the business world. . . this book is extremely valuable." Marianne Williamson, author of A Return to Love "Finally, a clear, compelling voice arguing that employees are not liabilities but instead are an organization's greatest asset." David Chilton, author of The Wealthy Barber

Oprah Winfrey says Super Soul Sunday is the television show she was born to do. "I see it as an offering," she explains. "If you want to be more fully present and live your life with a wide-open heart, this is the place to come to." Now, for the first time, the aha moments of inspiration and soul-expanding insight that have enlightened millions on the two-time Emmy Award-winning Super Soul Sunday are collected in The Wisdom of Sundays, a beautiful, cherishable, deeply-affecting book. Organized into ten chapters—each one representing a powerful step in Oprah's own spiritual journey and introduced with an intimate, personal essay by Oprah herself—the Wisdom of Sundays features selections from the most meaningful conversations between Oprah and some of today's most-admired thought-leaders. Robbins, Arianna Huffington, and Shonda Rhimes share their lessons in finding purpose through mindfulness and intention. World renowned authors and teachers like Eckhart Tolle, Thich Nhat Hahn, Marianne Williamson and Wayne Dyer, explain our complex relationship with the ego and the healing powers of love and connection; and award-winning and bestselling writers like Cheryl Strayed, Elizabeth Gilbert, and Elizabeth Lesser explore the beauty of forgiveness and spirituality. Paired with beautiful photographs, including many from Oprah's private property in California where each episode of Super Soul Sunday is filmed, The Wisdom of Sundays promises to be a timeless keepsake that will help readers awaken to life's wondrous possibilities and discover a deeper connection to the natural world around them.

Navigating the shark-infested waters of the entertainment industry, recovering from life-threatening illness, and rebounding from business failure, Lenedra Carroll has pioneered innovative principles for building success in the material world. Engaging stories deftly portray ways to attain prosperity, love, good health, and a sense of purpose while living ethically and in harmony with others. Practical exercises make the seven foundations clear and accessible for every reader, and help them find and follow their own spiritual truths.

Now updated with new material by #1 New York Times bestselling author and 2020 Democratic presidential candidate Marianne Williamson, the twentieth anniversary edition of *Healing the Soul of America* shares her timeless, visionary message of political healing. In the twentieth anniversary edition of *Healing the Soul of America*, Marianne Williamson reclaims her powerful voice for social conscience in American society. This is a time, according to Williamson, for Americans to return once again to our first principles, both politically and spiritually. Here, Williamson draws plans to transform the American political consciousness and encourage powerful citizen involvement to heal our society. With updated material throughout, Williamson explores the current state of American politics, reminding us of her theory of holistic politics—the convergence of political activists looking toward spiritual wisdom and spiritual contemplatives extending their service into the political landscape. She believes that a morally concerned American must now take an active stand in turning this country away from its current identity as a nation obsessively in love with its money to a nation more seriously invested in all of its children and the potential brilliance of every citizen. “Marianne Williamson...is attempting to...help not only her followers but an entire nation” (People). In the wake of the current political dysphoria, with countless tragedies consistently on the nightly news,

America is facing a time of immense division. Political parties that completely polarize friends and family, mass shootings, threats of nuclear war, and a lack of confidence in our governmental leaders show that the country is in desperate need of restoration. We need a new paradigm of political understanding, a moral commitment to express it, and a new kind of activism to bring it forth. Healing the Soul of America is a blueprint for all three and there has never been a more urgent need.

We've been sold a bill of goods. Not out of malice but out of a fundamental misunderstanding of how to effectively approach our lives—and the world—in order to secure the genuine happiness and authentic loving relationships we desire. In *Reclaiming the Life We Lost Along the Way*, we discover that at the heart of every decision we make is the intention to reduce our suffering and satisfy our unmet yearnings. Authentic love, safety, acceptance, connection, belonging, meaning, purpose, value, appreciation. These are the shared desires of every human being. To meet these desires, we have invested tremendous effort, yet the quality of life we have sought continues to elude us. The reason is shockingly simple: We have attempted to resolve an internal problem with external solutions. The outside world can never satisfy our deepest longings until our inner world makes a critical

shift in perception and orientation. When this internal shift occurs, our experience of everything outside of us begins to change as well. This is the key to realizing and experiencing the quality of life we have been seeking for so long. Discover who you really are, recover your true self, bring your unique gifts to life, then share them with the world. This book shows you how to reclaim the life you were born to live by recovering the authentic love and deep fulfillment you came out of the Universe to encounter and extend in your own life and the lives of everyone you touch.

Having a good relationship with money is tough—whether you have millions in the bank or just a few bucks to your name. Why? Because just like any other relationship, your life with money has its ups and downs, its twists and turns, its breakups and makeups. And just like other relationships, living happily with money really comes down to love—which is why love is the basis of money maven Kate Northrup's book. After taking the Money Love Quiz to see where on the spectrum your relationship with money stands—somewhere between "on the outs" and "it's true love!"—Northrup takes you on a rollicking ride to a better understanding of yourself and your money. Step-by-step exercises that address both the emotional and practical aspects of your financial life help you figure out your personal perceptions of

money and wealth and how to change them for the better. You'll learn about thought patterns that may be holding you back from earning what you're worth or saving what you can. You'll learn how to chart your current financial life and create a plan to get you to where you want to be—whether that's earning enough to live in a penthouse in Manhattan or a cabin in the Rockies. Using client stories and her own saga of moving from \$20,000 of debt to complete financial freedom by the age of 28, Northrup acts as a guide in your quest for personal financial freedom. She'll teach you how to shift your beliefs about money, create a budget, spend in line with your values, get out of debt, and so much more. In short, she'll teach you to love your money, so you can love your life.
