Real-world leadership training for real-world students The Student Leadership Challenge tailors one of the world's most respected leadership models to students' unique needs, and provides a proven pathway to success. Based on The Five Practices of Exemplary Leadership, this book merges solid research with personal stories from real-world student leaders to help students develop the critical skills they need to lead both now and after graduation. Useful from high school to graduate school and beyond, these lessons are reinforced by reflective and critical thinking activities to help students internalize important concepts while honestly assessing their own practices. Updated and expanded, this new third edition includes four extra chapters to allow deeper investigation, while broader, deeper, and more vivid examples from real-life students illustrate what student leadership looks like around the world. New discussion delves into the research behind the model, as well as the usefulness of leadership in the transition to post-graduate life. What does leadership mean to you? Although it may be difficult to put into words, we all know it when we see it. Effective leaders tend to exhibit a specific set of traits, possess certain skills, and practice particular habits. This book helps you hone your natural talents and shape your path to success as the leader you want to become. Learn The Five Practices of Leadership, and how they help you succeed beyond school Discover how students around the world are exhibiting the best in modern leadership Practice critical leadership techniques and engage in thought-provoking discussion Assess your own potential with the Student Leadership Practices Inventory Great leadership is more important than ever before, and students are in a prime position to develop these critical skills. The Student Leadership Challenge provides a comprehensive framework with real-world application to help students become their very best.

Designed to be used with the The Student Leadership Challenge or the Student Leadership Practices Inventory, this workbook will help students go deeper into the actual practice of leadership, guiding them in better understanding and embodying The Five Practices of Exemplary Leadership in a meaningful and relevant way. It includes activities and worksheets; a unit on taking, digesting, and understanding the Student Leadership Practices Inventory; and a section that helps students commit to and work on their leadership development in an ongoing way.

This book gives educators the flexible, modularized building blocks for teaching students how to apply Kouzes and Posner's Five Practices of Exemplary Leadership. The guide includes language, guidance, and activities for teaching each Practice and its associated leadership behaviors, as well as tips for coaching students through their leadership development. It also includes direction on using the Student Leadership Practices Inventory, advice for working with students using the Student Workbook and Personal Leadership Journal, and curriculum suggestions for different educational contexts.

Derived from the classic leadership book The Leadership Challenge, Fourth Edition, this is a concise, focused primer on the Five Practices of Exemplary Leadership for students. Grounded in the same extensive research as the best selling The Leadership Challenge, this book uses examples and language to which students in higher education can relate. It also features reflective and critical thinking activities at the end of each chapter to help students engage in each of the Five Practices. Can be used with all levels—from incoming first-year students to outgoing grads and young professionals Examples from both on-campus and off-campus venues, with particular emphasis on service-learning and effects of leadership in the surrounding community. Provides helpful and useful background on the instrument (Student LPI). The audio version of this book is available through your favorite online retailer.

The Student Leadership Challenge Activities Book includes more than 50 activities that give educators a bridge between teaching The Five Practices of Exemplary Leadership model and helping students learn to apply the practices to their lives. The activities map to each of The Five Practices and are designed to be flexible, appropriate for high school and college students, and greatly improve students' understanding of The Five Practices model through action. The activities include facilitator tips for use in a variety of settings and with various age groups.

Lead ordinary people in accomplishing the extraordinary! How do you get others to follow you to places they've never been before? How do you get others, by free will and through free choice, to move forward together on a common purpose? Just how do you get others to want to do things that matter and make a difference? In The Five Practices of Exemplary Leadership, Jim Kouzes and Barry Posner, authors of The Leadership Challenge and Credibility, uncover the fundamental practices that have enabled leaders to get extraordinary things done by studying the times when leaders performed at their personal best. The Five Practices of Exemplary Leadership are: Challenging the Process Inspiring a Shared Vision Enabling Others to Act Modeling the Way Encouraging the Heart Learn how Kouzes and Posner have translated these five practices into behavioral statements so that managers and non-managers in public and private organizations can assess their skills and use the feedback of others to improve their own leadership abilities. Also includes the Ten Commandments of Leadership.
