personal lives. Can't the government seize your house in order to build a shopping mall? Can't it tell you what you can and can't do within the privacy of your own home? How far can it go in regulating your use of the Internet? These are some of the questions answered in this concise, easy-to-read primer of the Supreme Court cases that most directly impact your life.

Can the government seize your house to build a shopping mall? Can it determine what control you have over your own body? Can police search your cellphone? The answers to those questions come from the Supreme Court, whose rulings have shaped American life and justice and allowed Americans to retain basic freedoms such as privacy, free speech, and the right to a fair trial. Especially relevant in light of Justice Antonin Scalia's death, and as we elect a new president who may get to
