Make a steady part-time income from trading options month after month! If you are a beginner to the world of options trading, this is the only book you will need to learn the basics of the game and to start earning a handsome income consistently every month. The vast majority of retail traders in the stock market keep away from trading options believing that options are too complex and too risky to indulge in. Most of the few that venture out into this terrain with half-baked knowledge usually end up with substantial losses over the long term because they simply do not know the safe strategies that one needs to deploy in this space. If you are someone who has shied away from options trading in the past thinking it is beyond comprehension or because you always ended losing money while trading options, then this is the right book for you. As a beginner's guide into the world of options trading, here's what this book contains: What Stock Options are in simple terms! The various types of options and the common terms used in options trading. The underlying principles of options trading using easily-understandable scenarios. Basic mistakes made by beginners and how to avoid them. Six great strategies, with real case studies, to that teach you how to consistently make profits while controlling your risk. Note: As an added bonus, this book also gives you access to downloadable worksheets you can use to calculate the potential returns and risk exposure for any strategic trade you want to get into or to even just carry out paper-trades! This book adopts an unsophisticated approach to teach options trading to just about anybody. Therefore, if you are looking for a place to start learning about options trading and how to earn off it, look no further!

Do you find yourself stuck in a regular 9 to 5 working hour job and longing for a taste of freedom from that tedious work routine, and wish to make more time for yourself? Or are you simply tired of wasting your time on different trainings and spending thousands of dollars looking for proven ways to make real money? Do you want to start Options Trading, but you're afraid you'll just lose money but yearn to Trade Your Way to Success? Then your search is finally over! This book Comprehensive Guidebook on Options Trading is designed to teach you how to understand the options market from scratch, providing a crash course to generate passive income using easy approaches bringing any reader from beginner's level to Advanced in no time, equipped with the ultimate strategies and setups. This in-depth guide offers a view of options trading from an average person's point of view thus using non-technical terms and reveals how average investors and ordinary people from all walks of life can easily start making money trading options using proven strategies. Whether your objective is to get a strong head start in the financial world, unravel the mysteries of trading options, or just want to understand how to spend and reap constant benefits as a beginner in choices, this book is designed to empower you with profound and riveting data. Within the pages of this book, you'll discover What options trading is, how it functions, why it is important, and how to trade it safely and profitably Options trading strategies of 2020 that are guaranteed to deliver actual results in all market conditions Best trading strategies and setups for investing in Stocks, Forex, Futures, Binary and other additional Options management skills How to trade options and make consistent profits even if you have zero trading experience. Tips and advice for advanced option traders And much more! If you've always found it difficult to understand trading options through other books, seminars and various online resources, do not fret! This book will demonstrate how to trade profitably without the use of complicated indices. So, stop fiddling about! Scroll up and click the "Buy Now" button and download this exceptional book right now!

Stop settling for non-existent savings account rates and bank CDs which pay less than 1%... and start making your investments work for you again... If you're worried about the current market uncertainty, these 3 options strategies are your antidote to chaos. You can use them to generate consistent returns, no matter what happens to your stock. Making it the perfect income strategy, because you can use covered calls, credit spreads & iron condors to create instant cash, with premiums paid directly into your brokerage account. Even if you know nothing about options, this book will get you right up to speed. Here is just a fraction of what you'll discover: - The 6 criteria we use to select the best stocks to write covered calls on - The vital difference between covered and uncovered calls - Options Greeks explained in 10 minutes - 3 rules for adjusting your covered call - How to use covered calls to lower the purchase price of stocks you already own - The 8 criteria we use to select the best stocks to write credit spreads - The only 3 technical indicators you need to know for credit spreads. Ignore everything else, you only need these 3 beginner friendly metrics to get started - 10 effective ways to master the mental side of trading - The 5 best low-commission brokers for beginner options traders - Trade options like Warren Buffett? The world's greatest investor has used this specific strategy to make \$4.9 Billion over the past decade - 3 "non-negotiable" trading rules. Adhere to these and you will be ahead of 90% of amateur traders - Exactly what level the VIX should be at before you sell a spread. A backtest implementing this one tweak made the strategy 50% more profitable over 10 years worth of trades ...and much, much more! Plus, inside the book you get free access to a 9 part video course covering every aspect of profitable investing So even if you've never used options before, the book walks you through everything step by step. You'll find everything explained in plain English, free from technical jargon. Even if you get stuck, you can always send us an email (provided inside the book) or reach out in our private investing community on social media - we're always happy to help with any questions you might have. And remember... bank CDs will only pay you between 0% and 1%... the dividend yield on the S&P 500 is around 2%... and 5 to 10 year municipal bonds will only pay between 2% and 3%. But if you use what's inside this book, you could have the opportunity to earn so much more than that. And when you receive just a single premium from one of these trades (which is paid into your account instantly) it will cover the cost of this book 10x over.

"Guy Cohen is the master when it comes to taming the complexities of options. From buying calls and puts to iron butterflies and condors, Guy explains these strategies in a clear and concise manner that options traders of any level can understand. His chapter on options and taxes is especially welcomed (and needed). What Are You Waiting For? Click "Buy Now" & Start Generating Passive Income!

What is options trading? How does it work? Is it possible to earn as much as they say? These are the main questions that many beginners ask themselves when they begin to consider whether or not to invest in the market. This guide aims to explain, in a simple but effective way, how you can start trading options without difficulty, errors, and risk even if you start from scratch. The world of online trading is full of opportunities, as well as pitfalls. For those who approach it for the first time, this world is also full of terminologies unknown to most, and of all new concepts you must know well to get the right results and, why not, successes. In this Manual, you will: ? Find A Complete and Accurate Explanation of What Options Trading Is and How it Works to allow you to take the right approach and then the right decisions on your investments. ? Learn What a Beginner Needs to Know About Options Trading (Before you start something new, begin with the fundamentals) such as knowing the market, making a plan and stick to it, practice, know your limits, among others. ? Have a Full Knowledge of Systems and Techniques for Beginners so that you can face any difficulty in the proper way using one of the many strategies learned. ? Understand Which is The Best Mindset to Win and Succeed; if you do not have the correct trading mindset, it doesn't matter how good your trading strategy is, because no strategy will ever make money if it's used by a trader with the wrong trading psychology. ? Practice What You Have Just Learned With Examples of Real Trades (Graphs-Statistics); you can trade a huge selection of cryptos, stocks from all over the world, commodities, cryptos, ETFs, and more, with zero risks ? ... & Lot More! Options trading does not require high skills or a high budget, it allows anyone to apply step by step strategies, gradually moving towards more risky and profitable strategies. Starting with the simplest ones, and with greater risk control, the book covers strategies in-depth and provided clear and detailed graphs that make them easier to understand. You can also find a clear explanation about technical indicators that will be used, providing the basis for the technical analysis. Having the right information and tools at your fingertips, you can enter this world without any fear of failing... you are one minute away from your financial freedom... Order Your Copy Now and Start Trading For A Profitable Living!
