The Unshakable Kingdom and the Unchanging Person was originally published in 1973 near the end of Dr. Jones' life. This powerful book proved to be the author's "last word" and "life conclusion" on the timeless truth of God's order, the Kingdom of God and the Person of Jesus.

As a follower of Christ you are part of "An Unshakable Kingdom"! However, the "kingdoms" built by man are unstable. Empires, governments, social systems, political systems, economic systems all will be shaken and collapse. The world around you may be shaking, but you are part of an Unshakable Kingdom.

## **THE UNSHAKABLE KINGDOM**

You will be born again, will become a son or daughter of God (2 Corinthians 6:18), and will enter into a glorious, eternal, unshakable kingdom—the kingdom of God. The world has its "kingdoms." And many of those are in spiritual and moral decline. It appears that my nation, the USA, is on a downward trajectory. Can God save America?

The book of Hebrews describes the unshakable Kingdom our Savior has established by the blood of His new covenant. It contrasts the incomplete worship forms under the old covenant, prior to God's perfect and complete salvation in His Son Jesus, who died once and for all.

We believe faith always leads to action. This happens not only in bringing the lost into the kingdom but through intentional biblical discipleship, teaching believers to obey Christ (Matt 28:20) and presenting them fully mature (Col. 1:28). Establishing healthy communities of Christ followers who come together to both discover and display the riches of Jesus Christ.

The unshakeable kingdom is only gained by listening to Jesus (12:25). This is not only comforting to the oppressed recipients of the epistle to the Hebrews, it is a comfort to those who are oppressed everywhere. Oppression is never forever; all earthly kingdoms will be burned up. This relativizes earthly kingdoms, putting them in their place.

In his classic style, Dr. Jones shows us how to claim our spiritual heritage and the abundant life promised us by embracing the Kingdom and Person of Jesus. He suggests how our experience with God and His Kingdom should be taught and shared in the life of the individual, in the life of the church and in the nations of the world.

Jesus swept onto the scene declaring that the Kingdom of God had arrived! He proclaimed that we would experience life at its fullest only when we organize our lives around the Kingdom. E. Stanley Jones suggests that life in any other way is a muddled, maddening, and impossible way to live. Throughout the centuries we have lost the Kingdom as a clearly defined and workable system for order and influence in our daily lives. We have reduced the Kingdom by putting it into narrower molds, a refuge now, a present security, a future hope, anything but the Kingdom as Jesus preached it - God's total answer to man's total need now." Dr. Jones shows us how to claim our spiritual heritage and the abundant life promised

us by embracing the Kingdom and Person of Jesus. He suggests how our experience with God and His Kingdom should be taught and shared in the life of the individual, in the life of the church and in the nations of the world.

Some Christians are expecting the kingdom of God to come when Jesus returns. And there is an aspect of the fullness of the kingdom that will be made manifest when He returns. However, Jesus began His ministry by preaching, "The time is fulfilled, and the kingdom of God is at hand. Repent, and believe the gospel" (Mark 1:15). Jesus was proclaiming that the kingdom was close enough to touch in the here and now. He continued by teaching us to pray, "Your kingdom come. Your will be done on earth as it is in heaven" (Matthew 6:10).

The concept of the Kingdom of God is one of the most confusing, controversial, and misunderstood notions in the Bible. Some have launched violent revolutions in the name of establishing the Kingdom of God on earth. Some have advocated elaborate schemes of...

The Letter to the Hebrews contains some of the New Testament's best-loved passages as well as some of its most difficult. It has stirred the hearts of generations of Christians with its visions of the exalted Christ, his deity, humanity and sufferings, and his fulfilment of the Old Covenant by becoming a superior sacrifice and a High Priest of the New Covenant. Its examples of the faithful obedience of men and women like Abraham and Sarah who were 'looking for a city whose builder and maker is God' continue to spur on multitudes to greater devotion in their own journey of faith. Yet this same letter, with its solemn warnings, has also brought distress to many and caused some to question their own faith, if not their very salvation. In a clear and concise manner informed by pastoral concern, David Gooding explains the meaning of Hebrews' warnings as he expounds the letter as a whole. He carefully examines the position and temptations of its original readers in the first century. Many were undergoing such severe persecution that they might easily have wondered why, if Jesus really were the Messiah, they had to experience such pain and loss. He expounds its major themes in order to show that its unified message is that hope and enduring faith in Jesus the Messiah, the Son of God, will never be put to shame. As he guides us step by step, he reaches outside the limits of the letter itself in order to explore rich fields of Old Testament history, prophecy, ritual and poetry from which the letter has drawn so many of its insights. This practical and readable exposition elucidates Hebrews' searching questions about the progress we are making in our own pilgrimage of faith. It is an invaluable help for understanding that both its beauties and its difficulties are intended to strengthen that faith. For, as the letter's original readers discovered, faith finds its only secure resting place in the true and coming King whose kingdom will stand even when everything else is shaken to pieces.

Just before his execution, Jesus Christ invited his disciples to join him at a borrowed house in Jerusalem to celebrate the Passover. As he faced betrayal, arrest and crucifixion, he taught them about the very heart of the Christian faith, namely, holiness. When the time came to leave the house, he continued his teaching. As they made their way through darkened streets that were filled with hostility to him, he spoke of how he would empower them to be his witnesses in a world that would often hate them too. Jesus was the teacher; the disciples were his pupils. It was the

school of Christ. David Gooding's exposition reveals the significance of the lessons Jesus taught inside the upper room (chs. 13-14), their connection to the lessons taught outside in the streets (chs. 15-16) and how both parts of this course on holiness relate to the Teacher's prayer to his Father (ch. 17). With a scholar's care for the text of Scripture, he expounds both the devotional richness and the practical nature of the lessons. He shows that to understand Christ's teaching on holiness is to know his power to change lives.

God's kingdom is the most dominant force on the planet. Jesus prophesied, This gospel of the kingdom will be preached in all the world as a witness to all the nations, and then the end will come. In these last days, heaven is marshalling a company of kingdom minded revolutionaries. Are you one of them? The kingdom of God is His reigning presence on earth. While it is still emerging, it is powerfully present and introduces a higher way of living a life governed by the Most High. So, welcome to the high life. Welcome to the kingdom of God.

Through prayer we learn that nothing is impossible with God--he is able to do beyond all that we can ask or think. Jack Hayford writes, "Prayer can change anything. The impossible doesn't exist. His is the power. Ours is the prayer. Without Him we cannot. Without us He will not." Here is a practical "how-to" book that will encourage you to pray!
