I wanted the power that the sure knowledge of eternal life offers. I wanted to know the love of God. Of course I didn't know that's what I wanted.

A collection of the books four through six of the Magical Mayhem series. To Prevent Smart Choices Kendra has her first assignment: to stop a bully at a school for magical girls. But she underestimates the language barrier, she overestimates her own competence at villainy, and she's not used to fighting without magic. So attacking an entire school of magical girls may not be the wisest thing she's ever done. Especially since a villainous fashion designer is watching. To Prevent Warm Welcomes If Rhea's sister is a traitor, she knows what she has to do. She heads to the lair ready to do what's necessary . . . and clueless Tiffany lets her in. Chronos is not delighted. One of Kendra's friends finally gets what she's wanted for a long time. But will it be a dream come true – or will it be a nightmare? To Prevent Cute Mascots There's a magical girl with an evil mascot. Naturally, Kendra has to stop this and beat up the cute, conniving little fuzzball. This might work better if she isn't forced to take Tiffany with her. Florence finally figures out what she wants to do from now on. And the answer she comes to might change everything.

Vodou priestess, flees slavery and impending Civil War in New Orleans. She rides the Underground Railroad north along the Mississippi River to an abandoned lighthouse forsaken in the remote Adirondack wilderness at the brink of a vast, cursed forest and the harrowing bluffs of Lake Champlain. We, The Wanted is a fully illustrated novel charting the unverified and unverifiable mythologies of seemingly disparate folklores: Irish, Haitian, and Native American, that converge beneath the beacon of the Split Rock Lighthouse as a way of exploring the contemporary phenomena of disenchantment. Shining a light upon the mysterious and tragic history of the American Northeast and across the tortured generations who weathered its storm, We, The Wanted is a gothic tale of grim isolation, the consequences of (dis)belief, and the monsters that continue to lurk beyond the pale of civilization hoping to lure us into their darkness.

Mary Levens takes the reader into the realm of magical thinking and its effect on ideas about eating and the body through a sensitive exploration of the images patients create in art therapy, in which themes of cannibalism constantly recur. Drawing on anthropology, religion and literature as well as
