A holiday turns murderous... The Web is a dangerous trip into the unknown for psychologist Alex Delaware in this compulsive thriller from international bestseller Jonathan Kellerman. Perfect for all those who are fans of Michael Connelly and Lee Child. 'Loyal familiars and Kellerman newcomers alike will turn these pages compulsively' - Publishers Weekly Dr William Moreland has spent much of his life attending to the physical and mental health of the inhabitants of Knife Island, a tiny Micronesian community. Feeling that his records should be analysed to ensure that the wealth of information contained within them should not be lost, he asks Alex Delaware for assistance. The timing is perfect for Alex and his partner Robin. Desperate to escape the violence of Los Angeles and recuperate from a terrible ordeal, they seize the opportunity for a sabbatical. But Knife Island is not the tropical paradise it first appears. The murder of a young woman has created an atmosphere of fear and division and Moreland himself is not quite what he seems. Surrounded by tarantulas and giant hissing cockroaches, Alex and Robin find themselves drawn into a grotesque web of intrigue that even Alex, with his deep knowledge of the human psyche, finds it hard to unravel. What readers are saying about The Web: '[An] atmospheric read' 'Enjoyable read, full of twists and turns with a real mix of characters. Couldn't turn the pages fast enough' 'Gradually [builds] up a sense of menace to a very surprising ending'

BONUS: This edition contains an excerpt from Jonathan Kellerman's Guilt. NEW YORK TIMES BESTSELLER The voice belongs to a woman, but Dr. Alex Delaware remembers a little girl. It is eleven years since seven-year-old Melissa Dickinson dialed the hospital help line for comfort—and found it in therapy with Alex Delaware. Now the lovely young heiress is desperately calling for the psychologist's help once more. Only this time it looks like Melissa's deepest childhood nightmare is really coming true. "A page-turner from beginning to end."—Los Angeles Times Twenty years ago, Gina Dickinson, Melissa's mother, suffered a grisly assault that left the budding actress irreparably scarred and emotionally crippled. Now her acid-wielding assailant is out of prison and back in L.A.—and Melissa is terrified that the monster has returned to hurt Gina again. But before Alex Delaware can even begin to soothe his former patient's fears, Gina, a recluse for twenty years, disappears. And now, unless Delaware turns crack detective to uncover the truth, Gina Dickinson will be just one more victim of a cold fury that has already spawned madness . . . and murder.

NEW YORK TIMES BESTSELLER □ Jonathan Kellerman has been universally hailed as the master of psychological suspense, and the blockbuster new thriller featuring Alex Delaware and Milo Sturgis confirms his status as today's preeminent practitioner of saber-sharp storytelling. Psychologist Dr. Alex Delaware meets beautiful and emotionally fragile TV actress Zelda Chase when called upon to evaluate her five-year-old son, Ovid. Years later, Alex is unexpectedly reunited with Zelda when she is involuntarily committed after a bizarre psychotic episode. Shortly after Zelda's release, an already sad situation turns tragic when she is discovered dead on the grounds of a palatial Bel Air estate. Having experienced more than enough of L.A.'s dark side to recognize the scent of evil, Alex turns to his friend LAPD Lieutenant Milo Sturgis for help in finding out who ended Zelda's broken life. At the same time, Alex is caught up in another quest: the search for Zelda's missing son.

And when other victims vanish from the same upscale neighborhood, worry turns to terror. As Alex struggles to piece together the brief rise and steep fall of a gorgeous, talented actress, he and Milo unveil shattered dreams, the corruption of a family, and a grotesque betrayal of innocence. With each devastating revelation and damning clue, Alex's brilliant mind is challenged as never before—and his determination grows to see a killer caged and the truth set free. Praise for Breakdown
"This is a book you should not miss. . . . A master craftsman at the top of his game . . . one of his best to date."—Bookreporter "Gripping . . . an exhilarating masterclass in the art of plotting, suspense, characterization and brilliant mind games."—Blackpool Gazette Praise for Jonathan Kellerman "Jonathan Kellerman's psychology skills and dark imagination are a potent literary mix."—Los Angeles Times "Kellerman doesn't just write psychological thrillers—he owns the genre."—Detroit Free Press

Once again, the depths of the criminal mind and the darkest side of a glittering city fuel #1 New York Times bestselling author Jonathan Kellerman's brilliant storytelling. And no one conducts a more harrowing and suspenseful manhunt than the modern Sherlock Holmes of the psyche, Dr. Alex Delaware. A tipsy young woman seeking aid on a desolate highway disappears into the inky black night. A retired schoolteacher is stabbed to death in broad daylight. Two women are butchered after closing time in a small-town beauty parlor. These and other bizarre acts of cruelty and psychopathology are linked only by the killer's use of luxury vehicles and a baffling lack of motive. The ultimate whodunits, these crimes demand the attention of LAPD detective Milo Sturgis and his collaborator on the crime beat, psychologist Alex Delaware. What begins with a solitary bloodstain in a stolen sedan quickly spirals outward in odd and unexpected directions, leading Delaware and Sturgis from the well-heeled center of L.A. society to its desperate edges; across the paths of commodities brokers and transvestite hookers; and as far away as New York City, where the search thaws out a long-cold case and exposes a grotesque homicidal crusade. The killer proves to be a fleeting shape-shifter, defying identification, leaving behind dazed witnesses and death—and compelling Alex and Milo to confront the true face of murderous madness. BONUS: This edition contains an excerpt from Jonathan Kellerman's Victims.

NEW YORK TIMES BESTSELLER The daughter of a diplomat disappears on a school field trip—lured into the Santa Monica Mountains and killed in cold blood. Her father denies the possibility of a political motive. There are no signs of struggle and no evidence of sexual assault, leaving psychologist Alex Delaware and his friend LAPD homicide detective Milo Sturgis to pose the essential question: Why? "Feverish in pace and rich in characters . . . a chilling and irresistible thriller."—People Working with Daniel Sharavi, a brilliant Israeli police inspector, Delaware and Sturgis soon find themselves ensnared in one of the darkest, most menacing cases of their careers. And when death strikes again, it is Alex who must go undercover, alone, to expose an unthinkable conspiracy of self-righteous brutality and total contempt for human life. BONUS: This edition contains an excerpt from Jonathan Kellerman's Guilt.

"Psychologist Alex Delaware and Detective Milo Sturgis investigate the murder of woman who led a long life full of dark secrets"--

Thriller. Murder trial juror Lucy Lowell turns to Dr. Alex Delaware, hero of *Bad Love*, when she thinks someone is following her. Then her brother is murdered. Who is threatening her? And how can it be linked to the trial?.

When a sniper opens fire on a California schoolyard and is killed by the bodyguard of a visiting politician, the sniper's father asks LAPD homicide detective Milo Sturgis and psychologist Alex Delaware to clear his child's name.

"An affluent family returns home from Sunday dinner only to find the murdered and brutalized corpse of a total stranger in their house. This baffling, twisted tale tests Alex and Milo to their intellectual and emotional limits"--
