The riveting narrative and well-honed characters will earn a place in readers’ hearts.” Library Journal, starred review “Like A.S. Byatt’s Possession and Tom Stoppard’s Arcadia, this emotionally rewarding novel follows [...] present-day academics trying to make sense of a mystery from the past... Vivid and memorable.” Publisher’s Weekly “An unforgettable quest... Kadish’s characters are memorable, and we’re treated to a host of them...From Shakespeare’s Dark Lady to Spinoza’s philosophical heresies, Kadish leaves no stone unturned in this moving historical epic. Chock-full of rich detail and literary intrigue.” Kirkus Reviews “Kadish positions two women born centuries apart yet united by a thirst for knowledge at the core of a richly textured, addictive novel...Kadish has fashioned a suspenseful literary tale that serves as a compelling tribute to women across the centuries committed to living, breathing, and celebrating the life of the mind.” Booklist “So powerful and visceral...Incredible...I haven’t been able to read a book since.” Rose McGowan, New York Times Book Review Podcast “So many historical novels play with the “across worlds and centuries” trope, but this one really delivers, tying characters and manuscripts together with deep assurance. A book to get lost in.” LitHub “The Weight of Ink hooked me so deeply...Kadish, with storytelling genius, mirrors events and eureka moments across the centuries, binding the characters to one another. And an enormously satisfying ending wraps everything up while leaving enough rough edges to mimic the loose ends of real life.” Amazon Book Review

A music loving teen with OCD does everything she can to find her way back to her mother during the historic race riots in 1969 Kuala Lumpur, Malaysia, in this heart-pounding, “stunning” (Publishers Weekly, starred review) debut. Melati Ahmad looks like your typical movie-going, Beatles-obsessed sixteen-year-old. Unlike most other sixteen-year-olds though, Mel also believes that she harbors a djinn inside her, one who threatens her with horrific images of her mother’s death unless she adheres to an elaborate ritual of counting and tapping to keep him satisfied. A trip to the movies after school turns into a nightmare when the city erupts into violent race riots between the Chinese and the Malay. When gangsters come into the theater and hold movie-goers hostage, Mel, a Malay, is saved by a Chinese woman, but has to leave her best friend behind to die. On their journey through town, Mel sees for herself the devastation caused by the riots. In her village, a neighbor tells her that her mother, a nurse, was called in to help with the many bodies piling up at the hospital. Mel must survive on her own, with the help of a few kind strangers, until she finds her mother. But the djinn in her mind threatens her ability to cope.
