Three sizzling paranormal romances featuring curvy girls and alpha shifters. Brand new, Christmas bonus content included! **The Right to Bear Arms** After years of abuse, Daniela Reyes escapes her marriage to strike out on her own. With a rented house near the wilderness and a sexy neighbor down the road, life seems typical until she finds a black bear snoozing in her new hammock. Despite warnings, she feeds her wild friend and watches him return day after day. Her bear is the ideal distraction from the ex who won't let her go. **Russell Hawkins** has dedicated his entire life to protecting others. When the death of his wife drives him to retire from the Army, he settles in a remote community for the peace, quiet, and privacy to be himself. As a werebear, he roams the woods with his dog, the perfect diversion from his grief -- and the voluptuous divorcee down the lane. Can a war vet with a secret and a woman with a painful past find their happy future together? **Let Us Prey** Leigh Denton has made her share of mistakes, but the judgmental residents of Quickdraw, Texas will never allow her to forget. Drugs and a history of criminal activity checker her traumatic past. Now she's cleaned up her act and fighting to regain custody of her infant. Having a relationship isn't part of her plan. **Ian MacArthur** is an eagle shifter and Air Force veteran with a big heart. His work takes him around the world, but R&R brings him back home to a town where rising drug problems are taking over the community. Falling in love with a lost soul named Leigh wasn't part of his plan. Leigh needs to prove she can provide a steady home, driving financially secure Ian to lend his money and his name to help. There's just one problem: Eagles mate for life and soaring to her rescue will cost more than he's able to give. **The Purr-fect Soldier** Jada Hunt knows her town has issues. As the owner of Quickdraw's bustling new spa, she isn't prepared to move without a fight.

and satisfying."-Virna DePaul, New York Times bestselling author of the Belladonna Agency series

In this “ powerful story about the healing every man needs ” (John Eldredge, New York Times bestselling author), a near-fatal attack by an enraged grizzly bear leads to an unexpected encounter with God for alpha male Greg Matthews. Greg Matthews was the ultimate poster-boy for masculinity. Avid hunter and outdoorsman, Air Force and civilian firefighter, EMT, rescue helicopter pilot, fugitive recovery agent, Ground Zero volunteer and more, Greg had spent his whole life striving to serve others but for all the wrong reasons. After his parents ’ divorce when he was young, Greg believed deep down that the only way he could be loved and valued—by his father, by his family, and by God—was if he earned it through daring, high-stakes, high-risk—what society commonly refers to as

“ manly ” —achievements. But everything changed when an idyllic hunting trip through the backwoods of Alaska turned into a harrowing fight for his life. Greg was attacked by a grizzly bear—but the gruesome, nearly fatal conflict offered an unexpected encounter with God. Greg ’ s eyes, and more importantly, his heart, were finally opened to the lie that he ’ d internalized as a child: that his dangerously high-risk achievements were the sole signifiers of his worth. The road to recovery was long and painful, but it forced Greg to come face-to-face with the long-held view of manhood he had absorbed as his own identity. The relentless grizzly uncovered something in Greg ’ s heart: that he was being pursued by an equally persistent God, who loved him unconditionally. A gripping tale of survival and a rebuttal to outdated notions about masculinity, *Wild Awakening* “ will help you lead a life of greater purpose ” (John O ’ Leary, author of *On Fire*).

Wild pigs inhabit vast areas in Europe, Southern Asia and Africa, and have been introduced in North and South America, while feral pigs are widespread in Australia and New Zealand. Many wild pig species are

threatened with extinction, but Eurasian wild boar populations, however, are increasing in many regions. Covering all wild pig and peccary species, the Suidae and Tayassuidae families, this comprehensive review presents new information about the evolution, taxonomy and domestication of wild pigs and peccaries alongside novel case studies on conservation activities and management. One hundred leading experts from twenty five countries synthesise understanding of this group of species; discussing current research, and gaps in the knowledge of researchers, conservation biologists, zoologists, wildlife managers and students. This beautifully illustrated reference includes the long history of interactions between wild pigs and humans, the benefits some species have brought us and their role and impact on natural ecosystems.
