A collection of forty-one fairy tales from the folklore of Japan, Scandinavia, Sicily, Africa and Spain.

Selected from The Grey, The Brown, The Pink, The lilac and The orange fairy books.

Four volumes in the influential series of folklore and fairy tales collected from many cultures—for children of all ages. In a time when fairy tales were dismissed, even condemned, by academics and critics, Andrew Lang and his wife, Leonora Blanche Alleyne, worked to compile a multitude of these stories—not only helping them gain great popularity among everyday readers but also changing the widespread perceptions of this kind of literature. This entertaining volume brings together four of Lang's collections—the Blue Fairy Book, The Red Fairy Book, The Green Fairy Book, and The Yellow Fairy Book—totaling more than 150 stories.
