Jesse Ward is back in the newest novel in the #1 New York Times bestselling This Man series! "The raw emotion and vulnerability is breathtaking." - RT Book Reviews "Super steamy, emotionally intense" - Library Journal Life is good for Jesse "The Lord" Ward. Perfect, actually. He still has the charm, he's in great shape, and he still reduces his wife, Ava, to a pool of desire with a mere look. He's in full control, just how he likes it. But Jesse's perfect world falls apart when a terrible accident lands Ava in the hospital with a life-threatening head injury. Devastated and angry, he feels like his entire existence hangs in the balance. He cannot survive without this woman's love. So when she finally comes around, his shaking world begins to level out. But his nightmare doesn't end there. It's only just begun. Because his wife can't remember the last sixteen years of her life. That's all of him. All of their time together. He is a stranger to her. Now Jesse must do whatever it takes to find her memories . . . and help her fall madly, passionately in love with him all over again.

Rose Cassidy doesn't truly live; she just exists. Numbing herself to fear and pain is the only way she can survive in this cruel world. So when she's taken as collateral by the notorious Danny Black in a deadly game of power, she's thrown by the deep fear she feels rising within her. And, worse than fear, a profound desire. She's heard tales of The Brit. He's callous. Coldblooded. But no one ever said he was wickedly beautiful and darkly captivating. He sees past her mask, giving her a cruel sense of hope. But she must fight their twisted attraction or risk losing the one thing she survives for. When Danny Black took an enemy's beautiful lover as security, he never anticipated the repercussions. Or the warped attraction they would share. Rose Cassidy pushes Danny to the brink of madness with her impenetrable façade and savage allure. He has to remind himself that she's bait. A solution to a problem. Yet she evokes powerful feelings in Danny, and feelings are risky when you're wanted dead by endless enemies. The most dangerous game is about to be played. But can either of them win?

Delving into his world and breaking down his defenses become her obsession-an obsession that could shatter her heart beyond repair . .
