Two Dozen Fishin' Holes is the authoritative guide to fishing in Middle Tennessee. In it are secrets from many anglers who have shared how to work various lures, where to fish for specific species, where to locate the best holes, and the ideal time to fish there. The purpose of this book is to help you catch fish. So let's go fishing! Here Vernon Summerlin has provided the definitive fishing guide to: The ten major lakes of Middle Tennessee The tailwaters below eight large dams The five major streams in the mid-state area Big Bottoms, the best crappie fishing in the state Docks, marinas, launching ramps, camping recreation areas, baitshops, and fishing supplies "Not only does Vernon Summerlin tell you where to go, when to go, and how to get there, he adds other information that will prepare you for the fishing trip." ?Jimmy Holt, "The Tennessee Outdoorsman"

FIELD & STREAM, America's largest outdoor sports magazine, celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations.

Provides information on historic sites, outdoor activities, transportation, restaurants, and accommodations

A directory of U.S. government statistics publications by issuing agency. Entries include GPO stock number, LC and Dewey classification, OCLC and ISSN numbers, and sometimes a description. Includes geographic index.

Kinsley is eleven, and every year her teacher asks the class, "Where will you spend your summer vacation?" Many families travel to exotic places over the summer, but Kinsley has a special place where her family has gone for generations. Nestled on a mountaintop in Monteagle, Tennessee, The Monteagle Sunday School Assembly is a place where she can be with friends, family and have the freedom to be a kid. It also gives her the opportunity to be a part of something bigger in life and experience summer as a time wrapped up in the richness of the past, the fun of today and the hope for the future. It's Kinsley's own magic kingdom!

For each species includes threats, date listed, description, habitat, historic range, current distribution with map, conservation and recovery efforts, bibliography, contact and photo.
