Bestselling author Sabrina Jeffries pens the sizzling story of one of three half-noble half brothers, who makes a most unwelcome entrance into society... and a most unexpected match. Beautiful Lady Regina Tremaine has turned down so many suitors that she's called La Belle Dame Sans Merci. The truth: she won't marry because she carries a dark secret. She sees no good reason, however, why her brother shouldn't court the lovely Louisa North -- even if the girl's brother, the notorious "Dragon Viscount," objects. Marcus North, Viscount Draker -- bastard son of the Prince of Wales -- is rumored to be a monster who holds women captive in his dark castle to have his way with them. He has been exiled from polite society for years. But when Lady Regina makes a plea on her brother's behalf, Marcus proposes an outrageous deal: her brother can court Louisa so long as Marcus can court Regina. Can the beauty and the beast survive a proper courtship when the devastatingly improper passion between them threatens to cause the scandal of the century?

The story of a prince and an ordinary girl that inspired the Hallmark Original Movie! Susanna Truitt never dreamed of a great romance or being treated like a princess—just to marry the man she has loved for twelve years. But life isn't going according to plan. When her high-school-sweetheart-turned-Marine-officer breaks up instead of proposing, Susanna scrambles to rebuild her life. The last thing Prince Nathaniel expects to find on his American holiday to St. Simons Island is the queen of his heart. A prince has duties, and his family's tense political situation has chosen his bride for him. When Prince Nathaniel comes to Susanna's aid under the fabled Lover's Oak, he is blindsided by love. Their lives are worlds apart. He's a royal prince. She's an ordinary girl. But everything changes when Susanna receives an invitation to Nathaniel's coronation. And soon Nathaniel faces the ultimate choice: His kingdom or her heart? "This is classic romance at its very best." —DEBBIE MACOMBER "[A] surprisingly believable royal-meets-commoner love story. With only a subtle nod to Cinderella, this modern and engaging tale follows the budding relationship of an American Southern girl and a pseudo-Brit prince... Hauck fans will find a gem of a tale." —Publishers Weekly starred review "Rachel Hauck's inspiring Royal Wedding series is one for which you should reserve space on your keeper shelf!" —USA Today Part of the Royal Wedding series: Book One: Once Upon a Prince, Book Two: Princess Ever After, Book Three: How to Catch a Prince Book length: approximately 85,000 words Includes discussion questions for book clubs

Described by the Duke of Wellington as 'the most extraordinary compound of talent, wit, buffoonery, obstinacy and good feeling that I ever saw in one character in my life', George Augustus Frederick, Prince of Wales, later George IV, was a highly controversial figure. He courted both Whigs and Tories in his attempts to establish the Regency during the 'madness' of his father, George III. Scandalous liaisons with prostitutes and duchesses, and his 'secret' marriage to the Catholic Mrs Fitzherbert, tested his duty - to nation and to family. Yet his support for overseas campaigns against Napoleon, culminating in such historic victories as Trafalgar and Waterloo, consolidated Britain's status as the pre-eminent world power amid the great social and economic upheavals of the Industrial Revolution. Drawing on a wealth of original accounts of life in Georgian Britain, Saul David has created a masterly portrait - of a flamboyant, opportunistic and influential figure, and of a nation in a time of great change.

Continuing her irresistible Royal Brotherhood Series, bestselling author Sabrina Jeffries introduces the third of three half-noble half brothers—the brashest rogue in all of London. Proper Lady Christabel, the Marchioness of Haversham, is desperate to regain some letters that could destroy her—so desperate that she pretends to be the mistress of notorious gaming-club owner Gavin Byrne to accompany him to a scandalous house party where she can reclaim them. But when she agreed to let Byrne coach her on how a true mistress behaves, she never suspected how very... persuasive his wicked lessons would be. Gavin is secretly determined to find the letters himself and use them for revenge against the noble sire who abandoned him to grow up in London's worst slums. He's also delighted at how very successful his "mistress lessons" are: it won't be long before the luscious young widow is in his bed. But when Christabel catches Gavin in his own seductive net, he faces a difficult choice: to wreak the vengeance he's planned all his life, or to protect the woman he may—to his own astonishment—need more than revenge.

* Instant NEW YORK TIMES and USA TODAY bestseller * * GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 * * BEST BOOK OF THE YEAR* for VOGUE, NPR, VANITY FAIR, and more! * What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's Red, White & Royal Blue proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I'm jealous of all the readers out there who still get to experience Red, White & Royal Blue for the first time!" - Christina Lauren, New York Times bestselling author of The Unhoneymooners "Red, White & Royal Blue is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second." - Taylor Jenkins Reid, New York Times bestselling author of Daisy Jones & The Six
