Tom Sawyer: Listening activities: Chapters 5 & 6 | Article ...

The Adventures of Tom Sawyer (1876) is the story of a boy in Missouri in the 1840s. Tom Sawyer's parents are dead and he lives with his aunt in a small village next to the long Mississippi river. One night, Tom and his friend, Huckleberry Finn see Injun Joe kill Dr Robinson. "We can't say anything about it. Or we will die," says Tom.

This work offers the first volume of Albert Bigelow Paine's definitive biography of Twain.

Here is the story of Tom, Huck, Becky, and Aunt Polly; a tale of adventures, pranks, playing hooky, and summertime fun. Written by the author sometimes called "the Lincoln of literature," The Adventures of Tom Sawyer was surprisingly neither a critical nor a financial success when it was first published in 1876. It was Mark Twain's first novel. However, since then Tom Sawyer has become his most popular work, enjoying dramatic, film, and even Broadway musical interpretations.

"Do you reckon Tom Sawyer was satisfied after all them adventures? No, he wasn't. It only just pisoned him for more." So Huck declares at the start of the first of these once celebrated but now little-known sequels to Adventures of Huckleberry Finn. These unjustly neglected works are among the most enjoyable of Mark Twain's novels. In Tom Sawyer Abroad, Tom, Huck, and Jim travel across the Atlantic in a futuristic air balloon to encounter lions, robbers, fleas, and some of the world's greatest wonders. In Tom Sawyer, Detective, Tom and Huck journey down the Mississippi to help solve a mysterious crime. Told in Huck's voice and replete with down-hime backwoods Missouri wisdom, these two stories tackle every subject from the Crusades and chronometers to ghosts and swearing popes.--Publisher description.

The Adventures of Tom Sawyer by Mark Twain is an 1876 novel about a young boy growing up along the Mississippi River. It is set in the 1840s in the fictional town of St. Petersburg, inspired by Hannibal, Missouri, where Twain lived as a boy. In the novel Tom has several adventures, often with his friend, Huck. One such adventure, Tom's whitewashing of a fence, has been adapted into paintings and referenced in other pieces of popular culture. Originally a commercial failure the book ended up being the best selling of any of Twain's works during his lifetime.

A collection of fourteen stories by the famous author. As humorist, narrator, and social observer, Twain (Samuel Clemens) is unsurpassed in American literature. His novel The Adventures of Huckleberry Finn, a masterpiece of humor, characterization, and realism, has been called the first, and perhaps the best, modern American novel. This volume is a collection of previously published stories.

Renowned American humorist Mark Twain turns his incisive wit loose on his own life story in this unique take on the nineteenth-century memoir. Originally composed in a format that studiously ignored the careful chronological structure that most autobiographies follow, these essays were first published in book form ten years after the author's death. Twain fans will love the author's account of his quintessentially American upbringing, wildly zig-zagging career path, and gradual transition into the writing life.

o Includes the authoritative texts for eleven pieces written between 1868 and 1902 o Publishes, for the first time, the complete text of "Villagers of 1840-3," Mark Twain's astounding feat of memory o Features a biographical directory and notes that reflect extensive new research on Mark Twain's early life in Missouri Throughout his career, Mark Twain frequently turned for inspiration to memories of his youth in the Mississippi River town of Hannibal, Missouri. What has come to be known as the Matter of Hannibal inspired two of his most famous books, Tom Sawyer and Huckleberry Finn, and provided the basis for the eleven pieces reprinted here. Most of these selections (eight of them fiction and three of them autobiographical) were never completed, and all were left unpublished. Written between 1868 and 1902, they include a diverse assortment of adventures, satires, and reminiscences in which the characters of his own childhood and of his best-loved fiction, particularly Huck Finn and Tom Sawyer, come alive again. The autobiographical recollections culminate in an astounding feat of memory titled "Villagers of 1840-3" in which the author, writing for himself alone at the age of sixty-one, recalls with humor and pathos the characters of some one hundred and fifty people from his childhood. Accompanied by notes that reflect extensive new research on Mark Twain's early life in Missouri, the selections in this volume offer a revealing view of Mark Twain's varied and repeated attempts to give literary expression to the Matter of Hannibal.

Adventures of Huckleberry Finn (often shortened to Huck Finn) is a novel written by American humorist Mark Twain. It is commonly used and accounted as one of the first Great American Novels. It is also one of the first major American novels written using Local Color Regionalism, or vernacular, told in the first person by the eponymous Huckleberry "Huck" Finn, best friend of Tom Sawyer and hero of three other Mark Twain books. The book is noted for its colorful description of people and places along the Mississippi River. By satirizing Southern antebellum society that was already a quarter-century in the past by the time of publication, the book is an often scathing look at entrenched attitudes, particularly racism. The drifting journey of Huck and his friend Jim, a runaway slave, down the Mississippi River on their raft may be one of the most enduring images of escape and freedom in all of American literature.
