Totally Awesome Strategies for Teaching Health® gives educators the tools they need to develop and implement K–12 health education curricula focusing on the National Health Education Standards. It includes the Meeks Heit Umbrella of Comprehensive School Health Education, Teaching Masters that can be used to teach the National Health Education Standards at each grade level, Family Health Newsletters, motivating and totally awesome® Lesson Plans for each grade level, Teaching Masters and Student Worksheets, a Health Resource Guide, and a state-of-the-art K–12 Curriculum Guide.

"Comprehensive School Health Education: Totally Awesome Strategies for Teaching Health™ has been the leading teacher resource book used to prepare future and current elementary school, middle school, and secondary school teachers to teach health. It also has been the most widely used teacher resource book selected by state departments of education, school districts, and departments of health for in service and train the-trainers programs. It is the most teacher-friendly resource book available for health education"--

The most widely used college health education text and teacher resource book, Comprehensive School Health Education provides everything needed to teach health in grades K-12. This text prepares teachers to design and implement a curriculum that integrates the 2007 National Health Education Standards (NHES), the six categories of risk behavior identified by the CDC, and the ten content areas of school health. Included are Totally Awesome Teaching Strategies™, reproducible Teaching Masters, and a Curriculum Guide, all keyed to the NHES at age-appropriate grade levels. With more than 120 teaching strategies to use as lesson plans, Comprehensive School Health Education offers teachers and future teachers a dynamic and empowering approach to teaching health skills and promoting lifelong healthy behaviors in their students. Instructors and students can now access their course content through the Connect digital learning platform by purchasing either standalone Connect access or a bundle of print and Connect access. McGraw-Hill Connect® is a subscription-based learning service accessible online through your personal computer or tablet. Choose this option if your instructor will require Connect to be used in the course. Your subscription to Connect includes the following: □ SmartBook® - an adaptive digital version of the course textbook that personalizes your reading experience based on how well you are learning the content. □ Access to your instructor's homework assignments, quizzes, syllabus, notes, reminders, and other important files for the course. □ Progress dashboards that quickly show how you are performing on your assignments and tips for improvement. □ The option to purchase (for a small fee) a print version of the book. This binder-ready, loose-leaf version includes free shipping. Complete system requirements to use Connect can be found here: <http://www.mheducation.com/highered/platforms/connect/training-support-students.html>

Toby has to finish the final thing on The List. It's a list of brave, daring, totally awesome things that he and his best friend, Lucas, planned to do together, and the only item left is to hike the Appalachian Trail. But now Lucas isn't there to do it with him. Toby's determined to hike the trail alone and fulfill their pact, which means dealing with the little things -- the blisters, the heat, the hunger -- and the big things -- the bears, the loneliness, and the memories. When a storm comes, Toby finds himself tangled up in someone else's mess: Two boys desperately need his help. But does Toby have any help to give? The Trail is a remarkable story of physical survival and true friendship, about a boy who's determined to forge his own path -- and to survive.
