This 608-page how-to guide includes over 100 charts, graphs, and diagrams, plus 77 valuable checklists that guide you as you drive your company toward profitability. It will help you: □ Avoid the 9 deadly sins that destroy startups' chances for success □ Use the Customer Development method to bring your business idea to life □ Incorporate the Business Model Canvas as the organizing principle for startup hypotheses □ Identify your customers and determine how to "get, keep and grow" customers profitably □ Compute how you'll drive your startup to repeatable, scalable profits.
