An applied approach to developing and practicing interpersonal skills. By developing and practicing the material in Training in Interpersonal Skills, readers can learn how to build productive relationships for any situation. This text also helps readers master the skills necessary for personal and organizational effectiveness such as self-management, communication, teaming, and problem solving. The sixth edition includes several new pedagogical tools—such as self-assessment quizzes, exercises, cases, etc.—and information on the importance and usage of social networking.

Never HIGHLIGHT a Book Again! Virtually all of the testable terms, concepts, persons, places, and events from the textbook are included. Cram101 Just the FACTS101 studyguides give all of the outlines, highlights, notes, and quizzes for your textbook with optional online comprehensive practice tests. Only Cram101 is Textbook Specific. Accompanys: 9780132551748 .

This text is appropriate for college courses in Management Skills. Management is an applied topic. Conceptual frameworks can provide business school graduates with needed information and ideas to understand management situations, but to become effective managers they need practice in behaving as a manager and they need to receive feedback on their performance. This text focuses on how to develop the skills one needs to manage, rather than what managers do. It is organized around the four functions of management (planning, organizing, leading and controlling).

This Online Course Pack consists of Training in Interpersonal Skills: Tips for Managing People at Work, 4/e by Robbins/Hunsaker and Self-Assessment Library (Access Code) 12/e (ISBN: 9781405887601)

Bad communication, lack of trust, and poor interpersonal skills are often the key causes of weakness and inefficiency in an organization. The twenty complete training modules or lesson plans in this book help trainers teach managers and employees how to improve productivity through better working relationships. Each lesson plan includes lecture notes, training designs, reproducible handouts and overheads.

This comprehensive handbook provides a solid foundation in helping skills related to successful funeral service practice.

Interpersonal Skills in Organisations by de Janasz, Dowd, and Schneider takes a fresh, thoughtful look at the key skills necessary for personal and managerial success in organisations today. Exploding with exercises, cases, and group activities, the book employs an experiential approach suitable for all student audiences. The book is organised into 4 distinct sections (Understanding Yourself, Understanding Others, Understanding Teams, and Leading) that can be used collectively or modularly depending on the instructors' preferences and students' needs. The emphasis in this edition focuses on making the text more current along with making the text pedagogically effective for students and instructors.

Never HIGHLIGHT a Book Again Includes all testable terms, concepts, persons, places, and events.
