Matty and Kayla's complete story. Preceded by Fix You, Bash and Olivia's story. As the oldest McDaniels boy, it's always been Matty's job to take care of his brothers, but lately, he's been doing a crappy job of it. After a rough couple months, his brother Bash is finally back on track to make a big name for himself in the boxing world, but when his golden opportunity gets taken away, there's nothing Matty won't do to fix it. Even if it means making a deal with the devil...and his bossy, red-headed protoge. Kayla James wasn't always notorious Boston mobster Mickey Flynn's right hand. Before that, she was nobody. He might not be perfect, but he took her in when she had no one else, and she'll be forever in his debt. If he wants her to manage his cocky new MMA fighter and turn him into a money-making machine, she'll do it...but she doesn't have to like it."

Having grown up gifted and graduated from MIT with a degree in electrical engineering, Matthew Schaubeger joined the Marine Corp due to his thirst for adventure and new challenges. Now in his early thirties, he 's retiring as a major after ten years of service. A gifted fighter pilot and engineer, Matt is pursued by the technology company his late father once worked for. At the company, he discovers his father 's lifetime work to build a time machine and is deceived into completing the project. During the process, he stumbles upon a dark family secret and the origin of this technology. In Nazi Germany during World War II, his own grandfather was a scientist who led a top-secret project involving the development of a powerful electromagnetic engine capable of propelling flying saucer-shaped aircraft. At the end of the war in 1945, this technology was brought to the United States through Operation Paperclip, and it has evolved since then. Facing a powerful, immoral business tycoon, the pilot ends up traveling back in time in an attempt to save his father and keep the project out of malicious hands.

But when ex-fiancé é, Gabe Wademan, turns out to be the one who inherited the lease on Kayla 's toy shop, she seizes this chance to win him back. . . . His plan is for the two of them to have as little contact as possible. But Bella Cove is a small town, and old feelings stir to life as their paths cross more frequently.
