Fall in love. Get married. Have children. For most couples, marriage and children go hand in hand. And yet, the number of people choosing childlessness is on the rise. These are the childless by choice—people who have actively decided not to have children—rather than the childless by circumstance. In *Two Is Enough*, Laura S. Scott explores the assumptions surrounding childrearing, and explores the reasons many people are choosing to forgo this experience. Scott, founder of the Childless by Choice Project, examines the personal stories of people who have faced this decision and explores the growing trend of childlessness. Scott's expert knowledge and analysis offer a picture of the childless by choice—who they are, why they've chosen to remain childless, and how they've had these conversations with loved ones. Honest and unapologetic, *Two Is Enough* recognizes the challenges of being childless in today's society and offers suggestions on how that same society can change to make room for the childless and the childfree.

According to *American Demographics* magazine, by the year 2010 the number of married couples without children is expected to increase by nearly 50%, to nearly 31 million. The non-profit organization, Childless By Choice, reports that one in seven married couples in the United States is consciously deciding not to have children. For more married couples than ever before, their life plan together does not include raising a family. Yet, as these numbers grow, in many ways society continues to frown on the choice not to have children. Although more couples are making this decision, they often feel misunderstood, and face societal misperceptions about themselves, their marriage, and their choice not to have children. Through candid interviews and photographs, *Families of Two: Interviews with Happily Married Couples Without Children by Choice* takes us into the lives of happily married couples without children by choice. It dispels the myths often associated with this choice, helps couples who are deciding whether to have children, and offers insight to friends and family of couples who have chosen or may choose not to have children. *Families of Two* expands our ways of understanding marriage in today's society, and gives examples of roadmaps for marriage without children. *Families of Two* celebrates the many people who are living lives that do not include parenthood, and the many ways to live happily ever after.

Examines the rewards and challenges childfree adults face living in a world that celebrates traditional families, offering advice on how to cope with the pressure of friends and family to have children, taking advantage of leisure time, and financial considerations.

Fall in love. Get married. Have children. For most couples, marriage and children go hand in hand. And yet, the number of people choosing childlessness is on the rise. These are the childless by choice—people who have actively decided not to have children—rather than the childless by circumstance. In *Two Is Enough*, Laura S. Honest and unapologetic, *Two Is Enough* recognizes the challenges of being childless in today's society and offers suggestions on how that same society can change to make room for the childless and the childfree.

Finding fulfillment in both love and work isn't easy—but it's possible. The majority of couples today are dual-career couples. As anyone who's part of such a relationship knows, this presents big challenges: trying to raise kids and achieve career goals while caring for and supporting your partner can seem impossible. Yet most advice for dual-career couples fails, framing the challenges as a zero-sum game in which one partner's gain is the other's loss and solutions feel like sacrifices or unsatisfactory trade-offs. This book is different. In *Couples That Work*, INSEAD professor Jennifer Petriglieri rejects conventional, one-size-fits-all solutions and instead focuses on how dual-career couples can tackle and resolve the challenges they face throughout their lives—together. She identifies three key phases of exploration and personal growth in every couple's work-life journey, showing how partners must navigate these together to strengthen their bond. Each phase is crystallized with a question: How can we make this work? The first phase focuses on the logistics of combining two busy lives and often

involves the demands of young children. What do we really want? In the second phase, couples learn to navigate their midlife crises in ways that allow each partner to continue to feel happy and fulfilled. Who are we now? With careers winding down and kids grown up, this last phase offers new freedoms--and uncertainties. Based on a five-year research project, the book includes interviews with couples from over thirty countries--from executives to entrepreneurs and from twentysomething newlyweds to dual-career grandparents. Filled with vivid real-life stories, keen insights, and engaging exercises, *Couples That Work* will help couples develop their own unique answers to that most pressing question: How can we successfully combine love and work?

Too much of a good thing . . . can be dangerous. Adventurous and open-minded, newlyweds Bridget and Roman are determined to keep their relationship exciting. So, when they meet married swingers Corinne and Patrick, they're instantly drawn to their carefree glamour and warm promise of friendship. And after swapping spouses for one passionate, exhilarating night, Bridget and Roman feel fulfilled and closer together than ever . . . Until Corinne and Patrick start turning possessive, wanting more of them than Bridget and Roman can ever give. Soon, the young couple is plunged into a nightmare of suspicion, lies, and secrets in which they can't trust each other--or what they think they know about themselves. Pushed to the breaking point, they must uncover the truth behind the other couple's machinations. But when the dust settles, there's no guarantee Bridget and Roman will have their love--or anything else--left to save . . . Praise for Brianna Cole and her novels *THE HEARTS WE BURN* "Lust, jealousy, betrayal, and desperation to survive drive this dramatic tale that will appeal to fans of contemporary multicultural romance authors De'Nesha Diamond, Victoria Christopher Murray, and Shelly Ellis." "Booklist *THE WIVES WE PLAY* "Drama, drama, drama!" "Cydney Rax "Thrilling, unique, and so addicting! Briana Cole brings a spin to a taboo lifestyle that had me hooked from the first page. . . . A fantastic, enthralling novel that should not be missed!" "Shanora Williams, New York Times bestseller and author of *The Perfect Ruin* "Tempestuous, gripping, and downright salacious! Briana Cole explores the complexities of love while twirling on the razor's edge of twisted betrayals. A phenomenal, cinematically written debut!" "N"TYSE

The author of *Too Good to Leave, Too Bad to Stay* provides a guide to restoring trust in a relationship once it has been compromised and explains how to avoid common mistakes and regain confidence in partnerships. Original. 40,000 first printing.

From the author of *Lucky*, A REESE'S BOOK CLUB PICK! NAMED ONE OF 2019'S BEST BEACH READS BY Oprah Magazine "New York Post "PopSugar "The Globe and Mail FEATURED IN *Us Weekly* "Parade "Hollywood Reporter "Chatelaine "Marissa Stapley's writing is a gift." "Pam Jenoff, New York Times bestselling author Miles Markell is missing, and everyone is a suspect. To the guests at The Harmony Resort, Doctors Miles and Grace Markell appear to be a perfect power couple. They run a couples' therapy retreat in a luxurious resort in the Mayan Riviera where they help spouses deal with their marriage struggles. Johanna and Ben's relationship looks great on the surface, but in reality, they don't know each other at all. Shell and Colin fight constantly--Colin is a workaholic, and Shell always comes second--but what has really torn them apart is too devastating to talk about. When both couples begin Harmony's intensive therapy program, it becomes clear that Harmony is not all that it seems--and neither are Miles and Grace. What are they hiding, and what price will these couples pay for finding out their secrets? As a deadly tropical storm descends on the coast, trapping the hosts and the guests on the resort, secrets are revealed, loyalties are tested and not one single person--or their marriage--will remain unchanged by what follows. A gripping exploration of relationships and trust, *The Last Resort* is a propulsive read about all the big truths we hide, even from ourselves.

The three books of prayer in this beautiful compilation, based on *The Power of a Praying® Wife*, *The Power of a Praying® Husband*, and *The Power of Prayer® to Change Your Marriage*, have inspired hundreds of thousands of women and men to strive for a deeper faith and prayer life. These heartfelt prayers, accompanied by Scripture verses and lines to jot a note, lead readers straight to the One who can make a difference in their lives and most important relationships. When a husband or wife prays for their spouse, both receive the blessing. Their marriage is strengthened, their commitment renewed, and difficult places made smooth. *A Book of Prayers for Couples* is the perfect gift for those looking for encouragement, healing, renewal, fruitfulness, and hope in their journey.

When your nemesis also happens to be your fiancé, happily ever after becomes a lot more complicated in this wickedly funny, lovers-to-enemies-to-lovers romantic comedy debut. Naomi Westfield has the perfect fiancé: Nicholas Rose holds doors open for her, remembers her restaurant orders, and comes from the kind of upstanding society family any bride would love to be a part of. They never fight. They're preparing for their lavish wedding that's three months away. And she is miserably and utterly sick of him. Naomi wants out, but there's a catch: whoever ends the engagement will have to foot the nonrefundable wedding bill. When Naomi discovers that Nicholas, too, has been feigning contentment, the two of them go head-to-head in a battle of pranks, sabotage, and all-out emotional warfare. But with the countdown looming to the wedding that may or may not come to pass, Naomi finds her resolve slipping. Because now that they have nothing to lose, they're finally being themselves--and having fun with the last person they expect: each other.
