In Uncharitable: How Restraints on Nonprofits Undermine Their Potential, Dan Pallotta highlights the assumptions that cripple nonprofits and proposes a set of reforms to unleash the potential of charities. At the center of his argument is the idea that nonprofits are forced to play by a different set of rules – one that prevents them from reaching their full potential for impact.

A courageous call to free charity from its ideological  
and economic constraints

A blueprint for a national leadership movement to transform the way the public thinks about giving. Virtually everything our society has been taught about charity is backwards. We deny the social sector the ability to grow because of our short-sighted demand that it send every short-term dollar into direct services. Yet if the sector cannot grow, it can never match the scale of our great social problems. In the face of this dilemma, the sector has remained silent, defenseless, and disorganized. In Charity Case, Pallotta

## Read Online Uncharitable How Restraints On Nonprofits Undermine Their Potential

proposes a visionary solution: a Charity Defense Council to re-educate the public and give charities the freedom they need to solve our most pressing social issues.

Proposes concrete steps for how a national Charity Defense Council will transform the public understanding of the humanitarian sector, including: building an anti-defamation league and legal defense for the sector, creating a massive national ongoing ad campaign to upgrade public literacy about giving, and

ultimately enacting a National Civil Rights Act for Charity and Social Enterprise From Dan Pallotta, renowned builder of social movements and inventor of the multi-day charity event industry (including the AIDS Rides and Breast Cancer 3-Days) that has cumulatively

raised over \$1.1 billion for critical social causes. The  
hotly-anticipated follow-up to Pallotta's groundbreaking  
book *Uncharitable* Grounded in Pallotta's clear vision  
and deep social sector experience, *Charity Case* is a  
fascinating wake-up call for fixing the culture that  
thwarts our charities' ability to change the world.

The four snakes in the Garden of Eden are cynicism,  
lack of commitment, major obstacles, and the desire to  
quit, according to motivational expert Dan Pallotta, a  
man who is living his dreams. He now shows readers  
how to receive their destiny and turn their hard work  
into smart work.

inspiration."-Paul Brest, President, William and Flora Hewlett Foundation All of the royalties from this book will be used by the Ewing Marion Kauffman Foundation to support continuing work on social entrepreneurship.

Mission driven—business as a vehicle for change. The current business-for-profit model rewards short-term thinking, narrow self-interest, and a social-and-environmental-costs-be-damned attitude. Non-profits, while more focused on the greater good, tend to be inherently resource-challenged and rely on increasingly scarce grants and donations to sustain their existence. Social enterprise is an exciting, blended model driven by the desire to create positive change through

responsibility into their companies, and non-profit organizations who want to increase their stability by generating income, The Art of Social Enterprise is the definitive guide to doing well while doing good.

A guide to making an impact in the world through smart philanthropy.

The War for Fundraising Talent is an honest yet hopeful critique of professional fundraising, intended especially for small shops that find it difficult to consistently achieve their fundraising goals. These organizations are notorious for rapid turnover and high donor attrition which are merely side effects of a much

## Read Online Uncharitable How Restraints On Nonprofits Undermine Their Potential

larger problem. This inter-sector conflict will not be won by those organizations who continue to mistakenly consider their scarcest resource to be donors with dollars. After years, if not decades, of obsessively accumulating new donors, most organizations have more than enough donors to keep them busy for quite some time. Those willing to part ways with this time-worn paradigm will discover how to retain more of the talent they already have and empower their new recruits with an environment where fundraising professionals can achieve mastery and find meaning in their work.

Wounded Charity examines the way Wounded Warrior

Christian society. One of the ideals used to unite the diverse millions of people living in this vast realm was the Christianized ideal of philanthropy. In this sweeping cultural and social history, Daniel Caner shows how philanthropy required living up to Jesus' s injunction to " Give to all who ask of you, " by offering mercy and/or material aid to every human being, regardless of their origin or status. Caner shows how Christian philanthropy became articulated through distinct religious ideals of giving that helped define proper social relations among the rich, the poor, and " the pure " (Christian holy people), resulting in new and enduring social expectations. In tracking the evolution of Christian giving over three centuries, he brings to
