The second season of the television adaptation of UNDER THE DOME will receive its UK premiere on Channel 5 on Monday, August 25th (produced by Steven Spielberg). King's bestselling novel centres on a small town suddenly and inexplicably sealed off from the rest of the world by an invisible dome. In UNDER THE DOME, King has produced another riveting masterpiece. The end of every chapter hooks you into the next, drawing you inside a psychological drama that is so rich, you don't read it, you live it. It is the story of the small town of Chester's Mill, Maine which is inexplicably and suddenly sealed off from the rest of the world by an invisible force field. No one can get in and no one can get out. The normal rules of society are suddenly changed and when food, electricity and water run short, the community begins to crumble. As a new and more sinister social order develops, Dale Barbara, Iraq veteran, teams up with a handful of intrepid citizens to fight against the corruption that is sweeping through the town and to try to discover the source of the Dome before it is too late . . .

On an entirely normal, beautiful fall day in Chester's Mill, Maine, the town is inexplicably and suddenly sealed off from the rest of the world by an invisible force field. Planes crash into it and fall from the sky in flaming wreckage, a gardener's hand is severed as "the dome" comes down on it, people running errands in the neighboring town are divided from their families, and cars explode on impact. No one can fathom what this barrier is, where it came from, and when -- or if -- it will go away. Dale Barbara, Iraq vet and now a short-order cook, finds himself teamed with a few intrepid citizens -- town newspaper owner Julia Shumway, a physician's assistant at the hospital, a select-woman, and three brave kids. Against them stands Big Jim Rennie, a politician who will stop at nothing -- even murder -- to hold the reins of power, and his son, who is keeping a horrible secret in a dark pantry. But their main adversary is the Dome itself. Because time isn't just short. It's running out.

After an invisible force field seals off Chester's Mill, Maine, from the rest of the world, it is up to Dale Barbara, an Iraq veteran, and a select group of citizens to save the town, if they can get past a murderous politician and his son.

Meet Claire Waters, a young, dedicated forensic psychiatrist with unnervingly personal insights into the criminal mind. Haunted by a disturbing childhood incident--and driven by her demons--Claire has always been drawn to those rare "untreatable" patients who seem to have no conscience or fear. She has a natural ability to put people at ease, to help them face their darkest secrets. But one shocking case could make or break her career--and it's waiting for her in the psychiatric wing of New York City's Rikers Island.

Roberta Anderson, while searching for firewood in the forest, stumbles upon a buried ship and with the help of her onetime lover, Jim Gardener, excavates an artifact that changes the townspeople of Haven.

It: Chapter Two—now a major motion picture! Stephen King’s terrifying, classic #1 New York Times bestseller, “a landmark in American literature” (Chicago Sun-Times)—about seven adults who return to their hometown to confront a nightmare they had first stumbled on as teenagers...an evil without a name: It. Welcome to Derry, Maine. It’s a small city, a place as hauntingly familiar as your own hometown. Only in Derry the haunting is real. They were seven teenagers when they first stumbled upon the horror. Now they are grown-up men and women who have gone out into the big world to gain success and happiness. But the promise they made twenty-eight years ago calls them reunite in the same place where, as teenagers, they battled an evil creature that preyed on the city’s children. Now, children are being murdered again and their repressed memories of that terrifying summer return as they prepare to once again battle the monster lurking in Derry’s sewers. Readers of Stephen King know that Derry, Maine, is a place with a deep, dark hold on the author. It reappears in many of his books, including Bag of Bones, Hearts in Atlantis, and 11/22/63. But it all starts with It. “Stephen King’s most mature work” (St. Petersburg Times), “It will overwhelm you...to be read in a well-lit room only” (Los Angeles Times).

Set in the fictional town of Castle Rock, Maine A #1 New York Times bestseller about a man who wakes up from a five-year coma able to see people’s futures and the terrible fate awaiting mankind—a “compulsive page-turner” (The Atlanta Journal-Constitution). Johnny Smith awakens from a five-year coma after his car accident and discovers that he can see people’s futures and pasts when he touches them. Many consider his talent a gift; Johnny feels cursed. His fiancée married another man during his coma and people clamor for him to solve their problems. When Johnny has a disturbing vision after he shakes the hand of an ambitious and amoral politician, he must decide if he should take drastic action to change the future. With “powerful tension that holds the reader to the story like a pin to a magnet” (The Houston Post), The Dead Zone is a “faultlessly paced...continuously engrossing” (Los Angeles Times) novel of second sight.
