Punjab was a province of British India.Most of the Punjab region was annexed by the East India Company in 1849, and was one of the last areas of the Indian subcontinent to fall under British control. In 1858, the Punjab, along with the rest of British India, came under the direct rule of the British crown. The province comprised five administrative divisions, Delhi, Jullundur, Lahore, Multan ...

Proactive Citizenry, the company which created Cam from the parts of unwound teens, has a plan: to mass produce Rewound teens like Cam for military purposes. But below the surface is of that horror lies another shocking level of intrigue: Proactive Citizenry has been suppressing technology that could make unwinding completely unnecessary. As Conner, Risa and Lev uncover these shocking secrets, enraged teens begin to march on Washington to demand justice and a better future. But more trouble is brewing. Starkey's group of storked teens are growing more powerful and militant with each new recruit. And if they have their way, they'll burn the harvest camps to the ground, and put every adult in them before a firing squad-which could destroy any chance America has for a peaceful future. Praise for UNWIND: "This is the kind of rare book that makes the hairs on your neck rise up. It is written with a sense of drama that should get it instantly snapped up for film." The Times "Gripping, brilliantly imagined futuristic thriller... The issues raised could not be more provocative - the sanctity of life, the meaning of being human - while the delivery could hardly be more engrossing or better aimed to teens." Publishers Weekly, starred review "a powerful, shocking, and intelligent novel... It's wonderful, wonderful stuff!" thebookbag.co.uk "This book challenges ones ideas about life, about morality, about religion, about fanatics. It is not a comfortable read but it is thought-provoking." Carousel

The fate of America hangs in the balance in the fourth and final book in the New York Times bestselling Unwind Dystology series by Neal Shusterman. Cam was only the start of Proactive Citizenry 's plans for rewound teens. The corrupt company is planning to mass-produce rewound teen soldiers, and to keep their profitable plans from being interrupted, they 've been suppressing technology that could make unwinding completely unnecessary. When Conner, Risa, and Lev uncovr these startling secrets, enraged teens march on Washington to demand justice and a better future. But more trouble is brewing. Starkey 's group of storked teens is growing more powerful and militant with each new recruit. And if they have their way, they 'll burn the harvest camps to the ground and put every adult in them before a firing squad. Can the persecuted teens get the justice they deserve without dooming America to a divided and violent future?

Things are ever changing at Peerbaugh Place, and Evelyn Peerbaugh is once again opening her home to new boarders. This time she's got more than she bargained for. But Mae, Piper, Audra, and Tessa are all close by to keep the Sister Circle going. Evelyn even finds the courage to open her heart to new love--and she's not the only one.

" Mom, I have something I need to tell you..." They didn 't talk. Not for ten years. Not about faith anyway. Instead, a mother and daughter tiptoed with pain around the deepest gulf in their lives -- the daughter 's choice to leave the church, convert to Islam and become a practicing Muslim. Undivided is a real-time story of healing and understanding with alternating narratives from each as they struggle to learn how to love each other in a whole new way. Although this is certainly a book for mothers and daughters struggling with interfaith tensions, it is equally meaningful for mothers and daughters who feel divided by tensions in general. An important work for parents whose adult children have left the family 's belief system, it will help those same children as they wrestle to better understand their parents. Undivided offers an up close and personal look at the life of an Islamic convert--a young American woman--at a time when attitudes are mixed about Muslims (and Muslim women in particular), but interest in such women is high. For anyone troubled by the broader tensions between Islam and the West, this personal story distills this friction into the context of a family relationship--a journey all the more fascinating. Undivided is a tremendously important book for our time. Will Patricia be able to fully trust in the Christ who " holds all things together?" Will Alana find new hope or new understanding as the conversation gets deeper between them? And can they answer the question that both want desperately to experience, which is " Can we make our torn family whole again?" "

Undivided is a book specifically written for Christians who desire to live for Christ without any reservation. The book details a biblical plan for what God intended the Christian life to truly be about. When we became Christians, we made the conscious choice to follow God with every aspect of our lives. That decision to follow Christ should be nurtured and protected to keep the world from drawing our hearts away from God. Author Rick Calloway challenges Christians to live with an undivided heart and loyalty toward God. Undivided gives clear biblical principles and a road map for keeping our hearts pure toward God. The book is detailed and specific regarding Gods desire that we live with undivided hearts toward him. It also provides a look at how we are to approach our faith, our family, our finances, and the entirety of our lives in relation to Gods plan for our life. Undivided will inspire you to raise the standard of what your Christian life should be about. The book also will give you insight and hope into a better way to live our lives. The book establishes that the main desire of every Christian should be, as Matthew 22:37 says, to love the LORD your God with all your heart, all your soul, and all your mind. More than anything, Follow the Leader provides great hope and encouragement for Christians to know that God has great plans in store for them if they will be intentional in committing their lives to him.

The fate of America hangs in the balance in the fourth and final book in the New York Times bestselling Unwind Dystology series by Neal Shusterman. Undivided Rights captures the evolving and largely unknown activist history of women of color organizing for reproductive justice.

Can Russia and the United States really move beyond their bitter Cold War rivalry to a genuinely cooperative relationship?Yes, argues distinguished diplomat James Goodby, but only if the United States, together with its European allies, promotes a new "logic of peace" to which NATO enlargement could contribute. During the nuclear standoff, a network of norms, rules, and structures kept the peace between the superpowers in Europe. Today, a new logic must be established, one that builds on mutual concerns to combat nuclear terrorism, reduce nuclear weaponry, and avoid the kind of bloodshed seen in the former Yugoslavia.Drawing on the lessons of the Cold War and its immediate aftermath, Goodby analyzes the prospects for achieving a secure and democratic Euroatlantic community. He challenges policymakers and public alike to embrace a new vision of U.S.-Russian cooperation.
