Transports students beyond the classroom on an exciting journey through the diverse Spanish-speaking world. The perfect blend of culture, instruction and interaction enables and motivates students to succeed. Units are built around countries and cities. Relevant instruction is based on multi-tiered differentiation in presentation, practice, and assessments.

¡Qué chévere! is an engaging program that develops students' communication skills by providing ample speaking and writing practice in contextualized situations, working with partners and in groups.

Andrés Moreno. Sadistic drug lord. My most feared enemy. And my captor. I don't like to be touched. I'm the hacker-geek-goddess of the FBI. When I'm hiding behind my screen, I'm a safe distance from everyone; isolated, powerful. No man has ever touched me, but when I'm captured by Andrés, I no longer have the right to refuse. He's scarred and scary, and his cruel brother Cristian has tasked him with breaking me. The longer I remain trapped with him, the more I come to suspect that I'm not the only captive in his brother's home. Andrés' scars go deeper than the wicked furrows carved into his flesh, his pain reflected in the dark demands he imposes upon me. His obsession is twisted and wrong, but maybe I'm twisted, too. Do I want to be rescued from him? Or is he the one who truly needs saving?

Print Student Edition

The Student Activities Manual contains workbook, lab, and video activities that provide important additional practice of topics in the text. The Workbook section, which parallels the organization of the units in the text, includes activities to reinforce the vocabulary and grammar learned in class as well as practice to help develop reading and writing skills. The Lab section contains a variety of listening activities for each unit to build comprehension of spoken Spanish. The Video section of the SAM provides pre- and post-viewing activities that correspond to each episode of the Caminos del jaguar video.
