UNNATURALLY GREEN is the humorous account of the entire journey, from her pit-stain-filled audition to the bittersweet closing night.

unnaturally green – Clare Holman-Hobbs

The colour green soon became the colour of the gentry, as red represented nobility and brown and grey represented peasants. This is why the seats in the House of Commons are green and red in the House of Lords. The green costume of da Vinci's Mona Lisa (c.1503-06) shows that she was a member of the gentry. Hans Holbein's The Ambassadors (1533), a painting portraying two powerful-looking ...

Unnaturally Green

"Ever wonder what it's like to perform in a mega hit musical (when you have little idea what you're doing)? From her audition to closing night -- to every moment in between -- Felicia takes you behind the scenes of her first professional show (ever!) as she understudies the lead character of Elphaba in Wicked's San Francisco company. As she leaps professional hurdles, she faces personal challenges as well: falling in love after heartbreak (with a spatula-wielding muscle hunk), living far away from home (in the worst neighborhood of all time), confronting her overachiever demons (and an all-consuming fear of failure), and learning, time and again, what it means to be green"--P. [4] of cover.

Unnaturally Green

Unnaturally Green

This book explores how the cultural distinctions and conflicts between Anglo-Saxons and Normans originating with the Norman Conquest of 1066 prevailed well into the fourteenth century and are manifest in a significant number of Middle English romances including King Horn, Havelok the Dane, Sir Orfeo, Sir Gawain and the Green Knight, and others. Specifically, the study looks at how the material culture of these poems (architecture, battle tactic, landscapes) systematically and persistently distinguishes between Norman and Anglo-Saxon cultural identity. Additionally, it examines the influence of the English Outlaw Tradition, itself grounded in Anglo-Saxon resistance to the Norman Conquest, as expressed in specific recurring scenes (disguise and infiltration, forest exile) found in many Middle English romances. In the broadest sense, a significant number of Middle English romances, including some of the most well-read and often-taught, set up a dichotomy of two ruling houses headed by a powerful lord, who compete for power and influence. This book examines the cultural heritage behind each of these pairings to show how poets repeatedly contrast essentially Norman and Anglo-Saxon values and ruling styles.

It seems strange that any book should be composed in a war-zone as difficult and dangerous as the Somme area in 1917, but that is exactly what Hector Dinning did. Having published a few of his pen-portraits and sketches of incidents in various journals, friends and colleagues pressed Dinning to collect them together and publish them as a book. This he did even in the mud of the battlefield and under the shell-fire of the Germans! Hector Dinning was among the first Australians to volunteer for overseas service. As he and his comrades sailed toward Egypt, military discipline chafed at the individualism of the Australians. Thankfully, once in Cairo, the troops were allowed leave before further transit to the hellish Gallipoli peninsula. Dinning details the difficulties and carnage that he witnessed at Gallipoli and Pathos, but also with some restraint, given the awfulness of the battles there. After only a brief rest in Egypt, the author was sent to France for further action on the Somme in Picardy; however, as a relief and in stark contrast, he tells of encounters with the French civilians behind the lines and the time that he spent out of the lines. This volume takes his story up to 1917, whereupon he was transferred to the famed Australian Light Horse, who were engaged in Palestine under Allenby, which he recounted in his second volume of memoirs, "Nile to Aleppo, with the Light-horse in the Middle-East." An excellent Anzac memoir. Some contemporary reviews of 'By-Ways On Active Service' "He has a notable literary gift."—Morning Post. "He has seen strange things with intensely keen eyes."—Daily Express. "He is a vivid writer, with a keen eye for detail, and a direct way of setting it down which grips the attention." Times. "He sees things with fresh and observing eyes, and he has a most receptive mind."—Punch. "He can write." Sydney Bulletin. "He has a striking literary gift."— Archibald Strong in Melbourne Herald.

"By-ways on Service: Notes from an Australian Journal" by Hector Dinning. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten?or yet undiscovered gems?of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

The first book in the instant New York Times bestselling gothic fantasy series; a modern paranormal romance set against the gothic backdrop of an isolated southern town. Lena Duchannes is unlike anyone the small Southern town of Gatlin has ever seen, and she's struggling to conceal her power, and a curse that has haunted her family for generations. But even within the overgrown gardens, murky swamps and crumbling graveyards of the forgotten South, a secret cannot stay hidden forever. Ethan Wate, who has been counting the months until he can escape from Gatlin, is haunted by dreams of a beautiful girl he has never met. When Lena moves into the town's oldest and most infamous plantation, Ethan is inexplicably drawn to her and determined to uncover the connection between them. In a town with no surprises, one secret could change everything.

Thousands of years ago, a spontaneous mutation resulted in a new species of mankind; more powerful, far more intelligent, and more capable than ourselves. Imbued with physical characteristics that set them apart from everyone else on earth, the Otherswere viewed as demons or evil. The offspring of parents carrying the mutant genes, the Otherswere feared, despised, and ultimately hunted by a powerful, secretive organization called the Venice Protectorate, the sole purpose of which was to kill all of the Others as soon as they were born. Over centuries, the Protectorate succeeded in destroying virtually all who carried the mutant genes. The time of the Others is over until a brilliant young geneticist, Jane Becker, finds evidence of the Others and locates a source of pure mutant DNA. Now Dr. Becker must decide whether to genetically reengineer the Others or let them die out before the Protectorate finds her. The fate of the world hangs in the balance as Bring Out Your Dead races to its thrilling conclusion.

'I love the fact that Robert Bryndza can turn his hand to both crime thrillers and comedy! If you haven't discovered Coco Pinchard yet then this is the perfect introduction!' Joanne Robertson, My Chestnut Reading Tree After a tumultuous divorce, Coco Pinchard has found love with the gorgeous, hunky, four-years-younger-than-her-so-technically-a-toy-boy, Adam. Her career as an author is finally a success, and she has fabulous friends in Christopher, a neurotic middle-aged socialite, and Marika, a slightly alcoholic dog walker. Coco is even learning to cope with her awful ex mother-in-law, Ethel, who despite the divorce, still thinks it's fine to criticise, especially when Coco and Adam decide to take the next step, and move in together... But hours before move-in day, Adam ends their relationship without explanation and disappears. After the initial shock and anger (and an 'I told you so' from Ethel) Coco sets out to discover what has really happened, and uncovers a shocking secret Adam has been hiding from her... Full of hilarious twists and turns, Coco Pinchard's Big Fat Tipsy Wedding is a witty, heart-warming, romantic comedy - the stand-alone sequel to no.1 bestselling, The Not So Secret Emails of Coco Pinchard. What people are saying about The Coco Pinchard Series: 'I truly enjoyed every minute of my foray into Rom-Com, and the wacky world of Coco Pinchard!' Lorraine Rugman- The Book Review Café 'Another great read from Robert Bryndza - he just knows how to make us keep turning those pages!' Lu, Amazon Reader 'So refreshing not to have a cliché rom-com where you know exactly how everything is going to pan out! If you want a great British comedy give this a read!' LL Colmer, Amazon Reader 'Bryndza tells the story as if you are sitting with your girlfriends exchanging bits of wisdom. The write up was correct. I do not often laugh-out-loud at books, but I sure did while reading this one!' Gail Joramo, Amazon Reader 'You think you've got problems?' Trust me, they are nothing compared to what Coco Pinchard has! And how the author of this marvel manages to achieve such a level of hilarity while Coco goes from one disaster to another is the mark of true creative genius. This novel, told totally in entertaining emails, is laugh-out-loud funny.' Mayda, Amazon Reader 'What an outstanding read!! I laughed, cried and cringed alongside Coco, the main character in this pacy story. I loved the way the tale unfolded through a succession of emails...a format that worked brilliantly!' Amy, Amazon Reader 'Full of humour and twists of fate. A happy ending too. Women will love this at any age.If you are mature you will empathise with Ethel, if you are divorced or in love with a toy boy, you will empathise with Coco. I could not put it down and read through the night.' Susanne Rooney,

Where To Download Unnaturally Green

Amazon Reader. Loved this so much, funny and enjoyable. If you are going on holiday buy all three before you get to the beach or you will go nuts not being able to get the others before you get home. It is amazingly written by a man, who knew? Bryndza seems to be able to get into the head of women better than most other women. He has zeroed in on us and done it well! FeatherOnAWire, Amazon top 100 reviewer 'A real feel-good book, you just don't want it to end. Definitely a five star rating!' AlisonSmith, Amazon Reader 'Witty and very British humor. Sad moments to break your heart. A must read!' Janet A.Staniec, AmazonReader
