The 504R Signature baler gives the working man a baler for any operation. Designed for producers who harvest primarily dry hay but also want the ability to bale silage when the weather isn't on their side. It is built upon the three signature pillars of Vermeer balers - convenience, ease of use and durability.

Vermeer 504R Signature Baler for Dry and Silage Baling

Well, I recently bought a Vermeer 504F that only had 4500 bales through it. It had been parked in a barn

for years because the guy that bought it new got sick and passed away and his family members bought a new monitor baler and never used this one again. So far, I've replaced all the pickup teeth, the starter roller #60 chain, both bearings and flanges on the lower drive roller, all the ...

Part 1 of the "Capturing the Ephemeral" series dedicated to abstract photography. This book looks into kaleidoscopic photography and the infinite variety of sixfold symmetry.

Johannes Vermeer (1632-1675) has been one of the most widely admired European painters since his so-called rediscovery in the second half of the nineteenth century. Until quite recently, the Romantic roots of writing on the Sphinx of Delft have encouraged the image of him as an isolated genius; the artist's private life and religion, his supposed use of a camera obscura, and the fact that his teacher has not been identified have all contributed to an air of mystery. As this new monograph demonstrates, Vermeer's life is actually well documented and his work may be more appropriately understood by placing the painter in the context of the Delft school as a whole and of Delft society. The fact that one local

patron acquired about twenty pictures by the artist (only thirty-six are known today) must have been significant for Vermeers subtleties of meaning and refinements of technique and style. In the end, however, the most historical approach to Vermeer still leaves us with a master whose rare sensibility and extraordinary powers of observation may be described but not explained.

This highly accessible and enjoyable guide is full of practical and fascinating information about how to enjoy whisky. All whisky styles are covered, including (just whisper it) blends. Along the way a good few myths are exploded, including the idea that whisky has to be taken neat. In 'What to Drink', Dave Broom explores flavour camps - how to understand a style of whisky - and moves on to provide extensive tasting notes of the major brands, demonstrating whisky's extraordinary diversity. In 'How to Drink', he sets out how to enjoy whisky in myriad ways - using water and mixers, from soda to green tea; and in cocktails, from the Manhattan to the Rusty Nail. He even looks at pairing whisky and food. In this spirited, entertaining and no-nonsense guide, world-renowned expert Dave Broom dispels the mysteries of whisky and unlocks a whole host of exciting possibilities for this magical drink.

Identifies the parts of a bicycle and explains how to maintain and repair various models of bicycles

Based on the successful Baby Owner's Manual, The Baby Owner's Maintenance Log presents a refreshing alternative to traditional sugar-sweet baby journals. Hip parents can record all major milestones and measurements in these pages, including the arrival of the unit, fuel preferences and speech activation. Spiral binding, hilarious illustrations and a bound-in envelope for keepsakes make this guided journal a great shower gift.

You know what happens when bad boys get what they wish for? Everything. . . New York Times Bestselling Author Lori Foster Playing Doctor Attitude makes a huge difference in bed. It could be Axel Dean's motto. The sexy physician likes his women with sensual moxie, and Libby Preston definitely seems to fit that bill. There's that naughty grin. That hot bod. Her eager kisses and cheeky insults. Her. . . admitted virginity. Whoa. Okay, cue cold shower. Axel may not be an honorable man, but he has his limits. Except Libby won't take no for an answer. She's determined to have someone show her what she's been missing, and suddenly, Axel can't bear to think of Libby playing doctor with anyone else. . . USA Today Bestselling Author Erin McCarthy The Lady of the Lake Pro baseball player Dylan Diaz is pretty sure he's going to hell. When you rescue a drowning woman from a lake your first thought should be, "Are you okay?" not, "Can I make mad, passionate love to you?" But the minute sputtering kindergarten teacher Violet Caruthers is on Dylan's boat, that's all he can think about. Maybe it's the potent combo of a nun's personality inside a stripper's body. Maybe it's the way she drives him crazy with desire and laughter. Or maybe, Dylan's finally found what's been missing in his life, and he's not about to let go. . .

This important book, written by educational expert and urban school leader, Tom Payzant, offers a realistic understanding of what urban school leadership looks like from the inside. Payzant shares his first-hand knowledge of the unique managerial, instructional, and political tasks of this role. Effectively combining practical lessons and research, Urban School Leadership includes in-depth analysis of various leadership concerns. The book covers topics such as improving student achievement, working with unions, building community, and maintaining and developing resources. Most importantly, it offers stories of real school leaders whose successes and missteps reveal the inherent "messiness" of this difficult job. Urban School Leadership is part of the Jossey-Bass Leadership Library in Education series. "This important book provides compelling examples of how effective leaders can have hope, see progress, and achieve success for all children in the schools and districts they lead."—Richard Riley, former United States Secretary of Education "Tom Payzant is one of the few people who could provide such a comprehensive, useful book for educational leaders at all levels. This very practical book is grounded in the important experiences and impressive judgment of one of our nation's most successful school superintendents"—Jon Schnur, co-founder and CEO, New Leaders for New Schools "Tom Payzant is one of the finest urban educators of our generation. Urban School Leadership is compelling, crisp, and wise—providing a clear path for those dedicated to improving the trajectory of children's lives."—Timothy F.C. Knowles, executive director, Center for Urban School Improvement, University of Chicago "Urban School Leadership is a must read for anyone interested in the landscape of urban public education in America."—Beverly Hall, superintendent, Atlanta Public Schools

Explains how to get accustomed to the new operating system and master its features, covering topics such as using menus and control panels, networking multiple PCs, and finding lost files.
