Shortly after graduating from University of Glasgow in 1934, Elizabeth “ Bessie ” Williamson began working as a temporary secretary at the Laphroaig Distillery on the Scottish island Islay. Williamson quickly found herself joining the boys in the tasting room, studying the distillation process, and winning them over with her knowledge of Scottish whisky. After the owner of Laphroaig passed away, Williamson took over the prestigious company and became

the American spokesperson for the entire Scotch whisky industry. Impressing clients and showing her passion as the Scotch Whisky Association ' s trade ambassador, she soon gained fame within the industry, becoming known as the greatest female distiller. Whiskey Women tells the tales of women who have created this industry, from Mesopotamia ' s first beer brewers and distillers to America ' s rough-and-tough bootleggers during Prohibition. Women have long distilled, marketed, and owned significant shares in spirits companies. Williamson ' s story is one of many among the influential women who changed the Scotch whisky industry as well as influenced the American bourbon whiskey and Irish whiskey markets. Until now their stories have remained untold.

encouragement for how you can be a "human lighthouse" for others and through these inspiring stories will renew your hope for humanity. Our polarized, divisive culture seems to be without heroes and role models. We are adrift in a dark sea of disillusionment and distrust and we need "human lighthouses" to give us hope and direct us back to the goodness in each other and in our own hearts. Steve Pemberton found a lighthouse in an ordinary man named John Sykes, his former high school counselor. John gave Steve a safe harbor after Steve escaped an abusive foster home and together they navigated a new path that led to personal and professional success. Through stories of people like John and several others, you will identify how the hardships you have overcome equip you to be a "human lighthouse," inspiring those around you. The humble gestures of kindness that change the course of our lives

pop star Jason Mraz, singers are doing yoga, and experiencing its ability to free their voices and psyches. Yoga provides bountiful rewards for singers: the practice of rib-opening and spine-lengthening asanas can improve alignment, while spinal twists, pranayama breathing techniques, and meditation can focus the mind and calm performance anxiety. Some singers have turned to beta blockers to deal with the stress of stage fright, but yoga proves there is a medication-free, self-nurturing method of combating the pressure of performing. Yoga For Singers gives singers and voice teachers the tools that yoga can provide to help improve their physical, emotional and thus vocal well-being and to manage performing with the most personal of instruments, their voices
