The book discusses the theoretical and methodological challenges of an interculturally valid sociology of religion and provides insights into the autochthonous socio-religious research in Muslim societies and Asian countries. In this way, it links discourses that have so far taken place primarily independently of one

centered and empathetic approach. Covering everything from the science of vaccine safety to the psychology of risk communication, this essential guide includes real-life examples and thoughtful, evidence-based techniques that will help patients understand vaccines and make informed decisions. Ideal for primary care providers, pediatricians, family physicians, nurse practitioners, and public health advocates, it provides an excellent framework for how to approach difficult discussions, with the goal of improving the health of each patient as well as the community at large.

This is a history of the Watch Tower movement's earliest years written to

Read Book Watchtower Study Edition March 2014

an academic standard. It is based on fresh research into original documents. This is volume one of a two volume work. Volume two is in preparation.

This book examines the historic tensions between Jehovah ' s Witnesses and government authorities, civic organisations, established churches and the broader public. Witnesses originated in the 1870s as small, loose-knit groups calling themselves Bible Students. Today, there are some eight million Witnesses worldwide, all actively engaged in evangelism under the direction of the Watch Tower Society. The author analyses issues that have brought them global visibility and even notoriety, including political neutrality, public ministry, blood

Read Book Watchtower Study Edition March 2014

transfusion, and anti-ecumenism. It also explores anti-Witness discourse, from media portrayals of the community as marginal and exotic to the anti-cult movement. Focusing on varied historical, ideological and national contexts, the book argues that Witnesses have had a defining influence on conceptions of religious tolerance in the modern world.

The zeal and dedication of Jehovah's Witnesses mask a highly disciplined organization that has a troubled history. Moreover, their thorough knowledge of their own scriptures gives a pretense of having spiritual truth. The movement has grown from about 1.1 million worldwide in 1965 to 4.4 million today. Yet all is not

Read Book Watchtower Study Edition March 2014

what it seems in the Watchtower Society. How do the teachings of the Jehovah's Witnesses run counter to orthodox Christianity? What drives adherents to give hundreds of hours a year to "witnessing"? What draws converts to a cult of strict control by religious leaders? Why this series? This is an age when countless groups and movements, old and new, mark the religious landscape in our culture, leaving many people confused or uncertain in their search for spiritual truth and meaning. Because few people have the time or opportunity to research these movements fully, these books provide essential information and insights for their spiritual journeys. Each book has five sections: - A concise introduction to the group - An overview of the group's theology -- in its own words -

Read Book Watchtower Study Edition March 2014

Tips for witnessing effectively to members of the group - A bibliography with sources for further study - A comparison chart that shows the essential differences between biblical Christianity and the group -- The writers of these volumes are well qualified to present clear and reliable information and help us discern religious truth from falsehood.

Answers you need to witness effectively to Jehovah's Witnesses
When Jehovah's Witnesses come to your door, have you ever wished you could get them off their memorized scripts and show them what the Bible really teaches? Have you ever wished you had the information necessary to

Read Book Watchtower Study Edition March 2014

lovingly show them why their religion is wrong? Now you can! Using many quotes from Watchtower leaders, this small book exposes the errors of this false religion, presenting thought-provoking questions Jehovah's Witnesses can't answer. Don't turn them away from your door saying, "I'm not interested." Learn the questions that will make them think, so you can effectively share the true gospel with them. Did you know? - In 1889, Jehovah's Witness founder C.T. Russell predicted: "...the final end of the kingdoms of this world, and the establishment of the Kingdom of God, will be accomplished at the end of A.D. 1914." This is one in a long list of unfulfilled Jehovah's Witness Bible prophecies that are revealed in this book.
