National Bestseller Fifth grade was the worst year of Marc’s life. Marc shouldn't have a single complaint as he finishes seventh grade. He's done really well in his classes, his friends Kenny and Nathan have joined him at jiu-jitsu, and most important, he's been staying on the Warrior Kid path. There's just one problem and that problem is named Danny Rhinehart.It seems like every thing Marc does, Danny does better. Danny runs faster, can do more pull-ups, has jiu-jitsu moves that Marc can't solve, and is even awesome in school. On top of all that, Danny is too nice—he smiles at everything and it drives Marc CRAZY. Marc doesn't know what to do.luckily, there is some good news: Marc's Navy SEAL Uncle Jake is back to visit for the summer. Maybe Uncle Jake can help Marc learn to handle a kid like Danny—a kid who is good at everything!But it won't be easy. Marc will have to work hard, train hard, and learn to deal with a brand new kind of problem: his own ego. It's going to be a tough summer, but where there's a will, there's a way...

In between, Johnny lives in his childhood home, making sure his alcoholic mother hasn't drunk herself to death, and looking after his idiosyncratic older brother Arty, whose world revolves around his laundromat job. Rinse and repeat. Then Johnny's monotonous life takes a tumble. The laundromat where Arty works, and the one thing that gives him happiness, is about to be sold. Johnny doesn't want that to happen, so he takes measures into his own hands. Johnny, along with his friend, Goat, come up with a plan to get the money to buy the laundromat. But things don't always go as planned...

An updated edition of the blockbuster bestselling leadership book that took America and the world by storm, two U.S. Navy SEAL officers who led the most highly decorated special operations unit of the Iraq War demonstrate how to apply powerful leadership principles from the battlefield to business and life. Sent to the most violent battlefield in Iraq, Jocko Willink and Leif Babin's SEAL task unit faced a seemingly impossible mission: help U.S. forces secure Ramadi, a city deemed "all but lost." In gripping firsthand accounts of heroism, tragic loss, and hard-won victories in SEAL Team Three's Task Unit Bruiser, they learned that leadership-at every level-is the most important factor in whether a team succeeds or fails. Willink and Babin returned home from deployment and instituted SEAL leadership training that helped forge the next generation of SEAL leaders. After departing the SEAL Teams, they launched Echelon Front, a company that teaches these same leadership principles to businesses and organizations. From promising startups to Fortune 500 companies, Babin and Willink have helped scores of clients across a broad range of industries build their own high-performance teams and dominate their battlefields. Now, detailing the mind-set and principles that enable SEAL units to accomplish the most difficult missions in combat, Extreme Ownership shows how to apply them to any team, family or organization. Each chapter focuses on a specific topic such as Cover and Move, Decentralized Command, and Leading Up the Chain, explaining what they are, why they are important, and how to implement them in any leadership environment. A compelling narrative with powerful instruction and direct application, Extreme Ownership revolutionizes business management and challenges leaders everywhere to fulfill their ultimate purpose: lead and win.
