Lewis Carroll Books - Biography and List of Works - Author ...

Lewis Carroll is the pen name of Charles L. Dodgson, a mathematician and church deacon, who taught at Oxford University. He was inspired to write his best known works, Alice's Adventures in Wonderland and Through the Looking Glass, by one of the Dean's daughters, Alice Liddell.

Meet the man who created Alice, the Mad Hatter, and Tweedle Dee and Tweedle Dum! Lewis Carroll is the pen name of Charles L. Dodgson, a mathematician and church deacon, who taught at Oxford University. He was inspired to write his best known works, Alice's Adventures in Wonderland and Through the Looking Glass, by one of the Dean's daughters, Alice Liddell. The books were hugely successful and brought Carroll wide acclaim, especially for the nonsense poems "Jabberwocky" and The Hunting of the Snark. Children and adults continue to be delighted by the fantasy of the Alice stories, which have been the basis of plays and movies since their publication in Victorian England during the 1860s and 1870s.

Presenta a collection of the author's poetry with color paintings that illustrate imaginary worlds and fantastic characters.

Bestselling author, pioneering photographer, mathematical don and writer of nonsense verse, Lewis Carroll remains a source of continuing fascination. Though many have sought to understand this complex man he remains for many an enigma. Now leading international authority, Edward Wakeling, offers his unique appraisal of the man born Charles Dodgson but whom the world knows best as Lewis Carroll, author of Alice's Adventures in Wonderland and Through the Looking-Glass. This new biography of Carroll presents a fresh appraisal based upon his social circle. Contrary to the claims of many previous authors, Carroll's circle was not child centred: his correspondence was enormous, numbering almost 100,000 items at the time of his death, and included royalty and many of the leading artists, illustrators, publishers, academics, musicians and composers of the Victorian era. Edward Wakeling draws upon his personal database of nearly 6,000 letters, mostly never before published, to fill the gaps left by earlier biographies and resolve some of the key myths that surround Lewis Carroll, such as his friendships with children and his drug-taking. Meticulously researched and based upon a lifetime's study of the man and his work, this important new work will be essential reading for scholars and admirers of one of the key authors of the Victorian age.

The adventures of a motley crew in searh of an elusive prey.

Drawing on numerous unpublished sources, the author examines the peculiar friendship between Oxford mathematician Lewis Carroll and Alice Liddell, the child for whom he invented the Alice stories, and analyzes how this relationship stirred Carroll's imagination and influenced the creation of Wonderland.

Under the pen name Lewis Carroll, Charles Lutwidge Dodgson became a legend for his children's books, which broke the constraints of Victorian moralism. Thirty years in the writing and drawn from a voluminous fund of letters and diaries, this exemplary biography conveys both the imaginative fancy and human complexity of the creator of Alice in Wonderland. Photos.

A new biography of Lewis Carroll, just in time for the release of Tim Burton's all-star Alice in Wonderland Lewis Carroll was brilliant, secretive and self contradictory. He reveled in double meanings and puzzles, in his fiction and his life. Jenny Woolf's The Mystery of Lewis Carroll shines a new light on the creator of Alice In Wonderland and brings to life this fascinating, but sometimes exasperating human being whom some have tried to hide. Using rarely-seen and recently discovered sources, such as Carroll's accounts ledger and unpublished correspondence with the "real" Alice's family, Woolf sets Lewis Carroll firmly in the context of the English Victorian age and answers many intriguing questions about the man who wrote the Alice books, such as:
• Was it Alice or her older sister that caused him to break with the Liddell family?
• How true is the gossip about pedophilia and certain adult women that followed him?
• How true is the "romantic secret" which many think ruined Carroll's personal life?
• Who caused Carroll major financial trouble and why did Carroll successfully conceal that person's identity and actions? Woolf answers these and other questions to bring readers yet another look at one of the most elusive English writers the world has known.
