When a man is miraculously saved from being hit by a bus, Xander’s life turns in to the living embodiment of the tornadoes he can suddenly create with a flick of his wrist. Whether he wants this gift or not, Xander must learn to use his new ‘super power’ quickly if he wants to survive. THE EARTH GIVES WAY TO THE SEA, THE SEA BOWS BEFORE THE WIND, THE WIND FEEDS THE FLAME, THE FLAME BURNS THE WORLD OF MAN DOWN TO THE EARTH. The sleepy town of White Halls harbors a dangerous secret. On a picturesque street, two houses down from a lovely little park, in a quaint little home with a wraparound porch, lives a family that seems rather normal. Sure, their twenty-year-old son, Xander, still lives at home, but he’s going to college and dating the leader of the school’s top sorority. It’s all very... normal. However, when a man is miraculously saved from being hit by a bus, Xander’s life turns in to the living embodiment of the tornadoes he can suddenly create with a flick of his wrist. Whether he wants this gift or not, Xander must learn to use his new ‘super power’ quickly if he wants to survive. For his kind is a dying race, and when this sleepy town has a sudden influx of new, blonde, fire wielders, no one is safe, especially Xander. It doesn’t help that one of these blondes happens to be the most beautiful girl he has ever seen. Xander can’t deny the instant connection he feels to her so, when she tries to kill him, it certainly makes things complicated. Wind Warrior is the first book in the World Aflame series by Jon Messenger. This series is complete and ready for binge reading. Praise for Wind Warrior: "Yet another book to catch. "Wind Warrior" is a fascinating take on Armageddon, coming of age, self-discovery and a budding love story. And all of these elements are captured in a tale that will surely captivate young adults everywhere. Readers will surely be glued to the book until the last page, what with its non-stop sequence packed with a lot of action, topped off with a modern Romeo and Juliet romance in the background. Jon Messenger writes in a voice that youngsters will easily relate to, as the characters involved are the kind we can definitely root for, while they engage in battles and inner struggles. It is a light read, yet filled to the brim with excitement. This is a book that entertains as well as imparts a lesson or two. I highly recommend it to all readers, young and old alike." - Readers' Favorite Young adult books free Teen and Young Adult Books young adult adventure books young adult adventure fantasy young adult science fiction Visionary & Metaphysical Scary Stories Survival Stories Dystopian Books for Teen Boys young adult apocalypse fiction and adventure Boys and Men Issues Young Adult Science Fiction Action Adventure Thriller Dystopian Survival Fiction Apocalyptic Survival Stories Young Adult Supernatural Mystery Young adult books for boys Science Fiction Super powers Apocalyptic Fiction YA books for teens Urban Fantasy young adult science fiction thriller Social Family Issues Friendship

The Earth Gives Way to the Sea, The Sea Bows Before the Wind, The Wind Feeds the Flame, The Flame Burns the World of Man Down to the Earth. White Halls is no longer a sleepy little town. Its houses lie smoldering on their foundations. The residents take refuge in their homes, afraid to leave. And the town’s prodigal son and newest Wind Warrior, Xander Sirocco, has fled. Xander survived the first assault on his life by the Flame Caste, but it’s at a great personal cost. He and Sammy are left to bury his family and tend to his grandfather, who lies in a coma. With the weight of the world on his shoulders, he can’t help but feel the fight against the Fire Caste is hopeless. It seems hopeless, that is, until he learns of a secret race of Elementals, embodiments of the elemental powers that the different castes wield. With the power of the Elementals comes a chance to save not just the Wind Warriors and Sammy, but the world itself. Emboldened, he sets off to find the Wind Elemental and with it, the hope for his survival. Too bad no one has seen the Wind Elemental in generations and now thinks she’s just a myth. As he quickly learns, however, the Fire Elemental isn’t a myth. It’s real and it has a secret plan for his girlfriend. And it won’t stop until Xander is dead. When ancient gods ruled and Druids kept Faith alive, the Celts thrived as a democratic, matriarchal society. Then savage Roman soldiers swept across Europe, killing and enslaving. The Celts did not succumb without a fight. Their Old Ways survived centuries of ruthless domain until another menace loomed: a tortured god worshiped in cold stone buildings. The sacred shores of Avalon began to drift away, the mists threatened to hide the island from mortal eyes forever. Against the bleak backdrop of war, the gorgeous Scottish Highlands stood tall, sheltering its inhabitants from greedy invaders. Yet the reach of the eagle banners was long and the highlanders turned to the Goddess for protection. However, the sacred groves felt silent and grim as Avalon faded away. Once sad, pealing bells began to sound strangely comforting while the high walls of monasteries offered an alluring barrier from violence. Caught in the middle of this centuries-old war, a young High Priestress might be Avalon’s last chance. Wise beyond her years and powerful like no other Priestress in her lifetime, Rowen had served the Goddess faithfully, forsaking her family and the company of her soulmate. When the Lady of the Lake asks for another sacrifice, it might be one too many for her scarred heart. How could she obey the Goddess without betraying Caddaric? Could she trust Eochaid, who embodied everything she despised and hated? Would she be able to fulfill her duties without losing her soul? Caddaric had been Rowen’s companion in countless lives; but, now, they existed in different realms. Beautiful Rowen lived in the mortal world while sweet Caddaric remained in the sacred isle of Avalon, watching over her. Could he step aside to allow another man - a flesh and blood man - to become her protector? Eochaid had sworn to protect the Old Ways. The rude warrior never quite understood his faith yet his loyal heart belonged to the Goddess. A gorgeous, fiery High Priestress was not in his plans. He would risk his life to protect Rowen; but, would the Goddess safeguard his heart? Could he defend the bewitching maiden from himself? When stakes were so high that a simple mistake could cost their very world, a priestess, a Druid, and a warrior must learn to trust one another and the mysterious ways of the Goddess. Their success would save Avalon. Their failure would tear the island from the human realm forever, condemning it to oblivion. Failure was not an option. This is a standalone, historical/paranormal romance. Its mature themes - sexual violence, religion, and pagan rituals - might not be appropriate for audiences under 18.

A medieval world, a expert in 21st Century Guerrilla Warfare. What would happen if the two combine? Something dark is brewing on a planet far across dimensions, threatening to eat its way through the thin boundaries of time and space. On the planet Corvalis, just as war is near, the gods send a champion to defend the lands from evil. A simple man from Earth, John is selected to inhabit the body of a warrior of this strange new world, in the hopes that he might guide kingdoms to not only victory, but also the survival of multiple races. He is the gods' champion, and his arrival signals the precursor to a great unknown conflict. The Korath. The Illian. The Woven. The Dark Ones. Kingdoms of different cultures and species clash as they struggle to learn about this new champion, and prepare for the coming conflict. But John soon discovers that the gods do not always work together. Soon more champions arrive, and the inhabitants of Corvalis grow concerned. There has never been more than one champion. Ever. As the kingdoms wonder what disaster awaits them, fear grips the world, as tension mounts. But John will not permit total annihilation to overcome the inhabitants of Corvalis for one very good reason. There is a United States Marines with a bad attitude, and no mercy, about to open up one huge can of whoop ass on their foes and the enemy doesn't stand a chance. Because Marines are always faithful! Approximately 87,000 words. Professionally edited by Bill De Herder. Author of Creative Wordsmithing.

Having escaped from her father’s control with help from a handsome holy man who is king of a western land, fifteen-year-old Princess Margot finally travels to the sea where her mother lived, and from which she can draw a powerful magic.

When There Is No Wind, Row tells the story about the remarkable career path the author traveled to become a lawyer. When she began that journey in the 1960s, social and cultural barriers were high - women were supposed to become wives and mothers not lawyers - forcing her to tack to different careers. She faced financial barriers as well. The author tells about growing up poor in the 1950s in Kennebunk, Maine. When she left for college, scholarship awards and a student loan with savings from her summer jobs didn't cover her first-year college costs. But she made it, graduating Phi Beta Kappa in 1966, even though married and supporting her widowed mother by her junior year.Her plans for law school were thwarted by the lack of financial aid for women for professional schools. When she began her job search in Boston, want ads were segregated by gender. She landed interviews for "male" jobs through an employment agent who failed to disclose she was female. The first interviewer refused to see her and, at her next interview, she was made to wait for seven hours. She finally landed a job as computer programmer at an insurance company even though she didn't know what a computer was. Her qualification for the job - she could play bridge! At age 30, the author left her computer career for law school - student aid for women had become available with passage of Title IX of the Civil Rights Act. The barriers for entry into the legal profession in Boston for a lawyer with her unusual "credentials" - female, mid-30s, married, a mother, a public school education and a prior career - were too high to overcome. She tacked to a unique job with the consulting firm, Arthur D. Little, Inc. supporting the company's international projects at the outset of economic globalization. At age 40, she finally began practicing law, building up an international tax practice well before fax, email and the Internet. At age 50, she parlayed her career experiences to found a successful tax software company with her husband.

When a young peasant girl is injured while hunting, she meets a strange, magical man who is a member of a despised race - Mujar. Truemen scorn the shape-shifting unmen for their odd, humble ways, and envy their power over the elements. Mujar do not use their powers for good or evil, they simply exist, immortal and apparently purposeless. Now a scourge is sweeping the land, armies of mounted warriors who cannot be defeated are wiping out Truemankind without mercy. They are known as the Black Riders, but no one knows where they come from or why they seem bent on exterminating every man, woman and child. Talsy traps the Mujar with gold, which has an odd effect on them, to make him help her, but her father intends to throw him in a Pit, from which he will be unable to escape. Talsy does not believe the Mujar deserves such a fate, so she frees him and begs him to take her with him on his journey. He agrees, and they set off across Shamarese, continuing his quest to find an old hermit's lost son. There is far more at stake than Talsy realises, however, and she has innocently stumbled upon the last free Mujar, who has the power to decide the fate of her race.
